I. INTRODUCTION

Lord prof PhD PhD Momtchil Dobrev-Halachev and Prof. Mariola Garibova-DObreva developed 2006 “Theory of the degree of democracy” and “Theory of degree of justice/injustice/” based on their practice in court, prosecutor's office, state and especially the practice of Prof. Mariola Garibova-Dobreva as a judge with dozens of years of experience as such as a civil and criminal judge and Prof. Momchil Dobrev participated as an observer in various types of elections.. Prof. Momchil Dobrev created 2001 Theory of corruption and Theory of mafia and Theory and practice of mafia, which contribute to the clarification of the Theory of the degree of democracy.

In the year 2001 Lord Prof. Momtchil DObrev developed the Theory of the mafia and Theory of corruption . All the both theories has been developed by analyzing of the mafia and the corruption all over the wprld. In Bulgaria, germany, European Union, and other countires. In the year 2010 Lord Prof. Momtchil Dobrev developed the 'Theory of Mafiotismus" as a new type of state governance oriented solely and exclusively in the private interests of private individuals and private institutions. The fight against the mafia and corruption in Bulgaria in PRIVATE ENFORCEMENT since its formation in 2006 and the corresponding signals to the European Commission and the European Union do not yield results because the mafia is at the highest state and European level and does whatever it wants. This mafia holds courts, prosecutor's offices and all kinds of state institutions and the latter carry out its orders and carry out repressions, harassment, destruction of lives of Private Enforcement Agents who do not belong to the mafia..

The problem with the mafia and corruption in Bulgaria and in the European Union and the European Commission is huge. We have repeatedly applied evidence of the scale of this mafia. On the basis of this mafia and corruption in Bulgaria and the European Union and the European Commission, Lord Prof. Momchil Dobrev created in 2001. "Theory of the mafia" and "Theory of corruption" with all its manifestations. Based on these theories, Lord Prof. Momchil Dobrev defined a formula for the mafia, a formula for corruption. Based on these processes, Lord Prof. Momchil Dobrev created a Theory and Practice of Mafia, defining a formula for mafia, how it works, how it is organized, in whose interests it works for.Who is Lord Prince Prof. MOMCIL DOBREV? The same one born in 1963. 1982 had the imprudence in an interview with the newspaper "Narodno Mlazed" to state that the Bulgarian Communist Party and the DCMS are MAFIA.

Then, after repressions over his entire family, even more so, Momchil Dobrev's father - Dobrli Duchev Dobrev, a financier who managed associations in various industries, transport engineering, mechanical engineering, and the chemical industry, MADE HUNDREDS OF MILLIONS OF LEVS IN PROFIT FOR THE STATE REPUBLIC OF BULGARIA, Momchil Dobrev was forced to ESCAPE in 1984. to the GERMAN DEMOCRATIC REPUBLIC in the city of Ilmenau, the Technical University. In just one year and three months, MOMCIL DOBREV COMPLETED five years, AND IN JUST ONE YEAR, HE COMPLETED AND TAKED THE WRITTEN EXAMS IN PHYSICS, MATHEMATICS, AND ALL OTHER DISCIPLINES WITH DISTINCTIONS. Therefore, in February 1985, Professor Karl Heinz Goethe invited him to participate in physical experiments in which SUPERCONDUCTIVITY AT ROOM TEMPERATURE WAS DISCOVERED. After that, the secretary of the Bulgarian embassy STOIL STOILOV threatened Momchil Dobrev that if he did not steal the material, in exchange for which he would receive 11 million US dollars and a house in the USA, which proved that this second secretary served the USA and the CIA, his life would be ruined. Despite such threats, Momchil Dobrev DOES NOT SURRENDER HIS PROFESSOR Karl HEIN GOTHE and Professor MANFRED von ARDENNE - one of the creators of the nuclear bomb for the Soviet Union, who in 1985, after conversations with Momchil Dobrev, declared him the NEXT NOBEL LAUREATE and the genius of the 20th and 21st centuries. It is no coincidence that at an international conference in 198 Professor Michael ROTH declared Momchil Dobrev, presenting him to over 500 professors from the WHOLE WORLD, the GENIUS OF THE 20th and 21st CENTURIES!!. At that time, Momchil Dobrev studied theoretical physics, biology, neurophysiology, medicine, logic, cognitive psychology, chemistry, various medical sciences, brain sciences, and other sciences.

These are not accidental things, as a first-grade student, Momchil Dobrev solves the math problems for class 304, as a third-grade student solves the problems of class 607 without anyone bothering him and without even his family providing him with the appropriate training. As a successor to the Dobrev Halachev dynasty, Momchil Dobrev follows the principles of honor, dignity of the dynasty, the property of the dynasty which is worth BILLIONS. It is no coincidence that Lord Academician Prof. Momchil Dobrev has an educated strong physicist - a master astronomer, lawyer, economist, engineer, studied archeology, archaeometry, even having licenses as a construction technician to construct buildings. As a successor to the Dobrev Halachev Dynasty, Momchil Dobrev protects the honor, the name, dignity and the properties of the Dynasty, in which the MAFIA is interested. It is no coincidence that in 1991, the young man Dobrev created TWO FREE ENERGY GENERATORS based on his theories of vortex fields, the field structure of the ether, the structure of the universe, a 16-dimensional universe, 12 levels of consciousness, the structure of the spiritual worlds, and explained dark matter and dark energy in 1991, proved that consciousness can move at a speed much greater than the speed of light, discovered a new fundamental physical force that governs the universe, revealed that Einstein was wrong about many things in his theories.

Corruption and mafia in a country destroy democracy, freedoms, human rights, the rule of law. As a result, Lord Prof. Momchil Dobrev and Lady Prof. Marioal Garibova-Dobreva created both the "Theory of the Degree of Democracy" and the "Theory of the Degree of Justice/Injustice" as well as the "Theory of Socio-Humanism" - a society that excludes the shortcomings of neoliberalism, globalism, wild market economy, and creates the foundations of a NEW HUMAN SOCIETY resting on completely different principles, both economic and social, managerial and others.

As a result, as a result of the fight of Lord Prof. Momchil Dobrev against corruption and mafia in Bulgaria and the European Union and the European Commission since 2011. Lord Prof. Momchil Dobrev has survived 17 /seventeen/ attempts to kill him and his relatives. During the previous term of President DONALD TRUMP 2016-2020 and the current 2025, he was personally and through the US Embassy in BULGARIA informed about the mafia in Bulgaria at the state level, in court, prosecutor's office, under the government of Prime Minister BOYKO BORISOV. There was no reaction from President DONALD TRUMP, although he declared himself a fighter against the mafia and corruption!!! President Trump was also informed that the MAFIA in BULGARIA and IN THE EUROPEAN COMMISSION has damaged an American company for BILLIONS OF DOLLARS by stealing its property - the company "BULGARIAN POSTS", - without any action and result for more than 9 years. And at the beginning of the current term, we informed President TRUMP again about this mafia, no action followed from President TRUMP, especially since losses of hundreds of millions of euros were caused to an AMERICAN COMPANY. And at the beginning of the current term, we informed President TRUMP again about this mafia, no action followed from President TRUMP, especially since losses of hundreds of millions of euros were caused to an AMERICAN COMPANY. Despite the lawsuits filed in 2022 in international institutions, - courts and others - there is no information so far - CLEAR SUPPORT OF THESE COURTS - EUROPEAN COURT OF HUMAN RIGHTS, UN court, criminal courts, arbitration cases.
THIS IS EVIDENCE for ANOTHER MAFIA in these COURTS and SUPPORT OF THE MAFIA in BULGARIA, EUROPE and around the world.

ALL CASES FILED FOR THIS THEFT OF PROPERTY OF AN AMERICAN COMPANY – FOR TRILLIONS OF US DOLLARS with the participation and support of Minister PRESIDENT BOYKO BORISOV, of the Chief Prosecutors SOTRI TSATSAROV and IVAN GESHEV and the current Chief Prosecutor, of judges, ministers and others, HAVE DISAPPEARED and TO THIS POINT WE HAVE NO INFORMATION ABOUT THESE CASES. EVEN MORE, after a 2023 case was filed under the RICO ACT in the USA against the former Prime Minister BOYKO BORISOV, the Prosecutor General SOTIR TSATSAROV, IVAN GESHEV, ministers, judges, private companies of the MAFIA, THEN on November 1, 2023, there was an attempt to ASSASSINATE Prince Lord Academician Prof. MOMCIL DOBREV in the building of the Sofia District Court with the participation of Judge LYUBOMIR IGNATOV, with the inaction of the Chairman of the Court Judge ALEXANDER ANGELOV, the Ministers and Deputy Minister Criminal Judge DECHEV, the Prosecutor's Office of IVAN GESHEV and the current Prosecutor General BORISLAV SARAFOV.

The fight against the mafia and corruption in Bulgaria and in the European Commission and the European Union does not yield results because the mafia is at the highest state and European level and does whatever it wants. This mafia holds courts, prosecutor's offices and all kinds of state institutions and the latter carry out its orders. Even after the 9 attempts to assassinate Prince Lord Prof. Momchil Dobrev after 2011 for his fight against this mafia, the fight will not stop, as PROFESSOR ZHIVKO STALEV says - "A STATE WITHOUT THE RULE OF LAW IS A FORM OF ORGANIZED CRIME!!" -

Introduce the Problem : The problem with the mafia and corruption in Bulgaria and in the European Union and the European Commission is huge. We have repeatedly applied evidence of the scale of this mafia. Based on this mafia and corruption in Bulgaria and the European Union and the European Commission, Lord Prof. Momchil Dobrev created in 2001. As a result of the fight of Lord Prof. Momchil Dobrev against corruption and the mafia in Bulgaria and the European Union and the European Commission since 2011. Lord Prof. Momchil Dobrev has survived 21 /

twenty-one / attempts to kill him and his relatives. 2004 PROF. Momchil Dobrev and Prof. Mariola Garibova-Dobreva created "Theory and Practice of Mastering a State/Union", "Theory and Practice of Social Genocide", "Theory and Practice of the Law on Double Standards/Norms in Court, Prosecutor's Office, State, International Law", "Theory and Practice of the Status and Degrees of Sovereignty".

- The Court of First Instance shall have jurisdiction to hear disputes concerning compensation for the damage referred to in the second paragraph of Article 288 / former Article 215/.
- Republic of Bulgaria - lack of rule of law, mafia affiliation in court, prosecutor's office, state
- Federal Republic of Germany - failure to fulfill its obligations as a member state to request from the European Commission to impose continuous monitoring of the judicial system and the state of Bulgaria due to mafia fascism in Bulgaria, although it has been introduced since 2007
- Republic of France failure to fulfill its obligations as a member state to request from the European Commission to impose continuous monitoring of the judicial system and the state of Bulgaria due to mafia fascism in Bulgaria, although it has been notified since 2007
- The right of the EUROPEAN COMMISSION according to the Treaty on the Establishment and Functioning of the European Union and ACCORDING TO WHICH THE EUROPEAN COURT SHOULD INSTALL THE APPROPRIATE CASE AGAINST THE EUROPEAN COMMISSION, BULGARIANS, FRANCE AND GERMANY.
- In short.

If it proves that there is no rule of law in a Member State, the EUROPEAN Commission must impose the appropriate sanctions, the appropriate control mechanisms, the APPROPRIATE MONITORING MECHANISM of the judicial system, - court, state prosecutor's office,. Separately, if the European Commission and through the EUROPEAN Parliament adopt DIRECTIVES and REGULATIONS that the relevant Member State does not transpose or does not implement in its country, the European Commission should impose sanctions and initiate criminal proceedings against the relevant State. Separately, if a member state, for example in the case of GERMANY, FRANCE, NETHERLANDS, GREAT BRITAIN, ITALY, which since 2007 have been informed about the MAFIA in Bulgaria, the mafia in court, the prosecutor's office and the state after requesting the relevant actions from the EUROPEAN COMMISSION These are their obligations.

Which law concerns the case filed in the European Court:
Secondary legislation
This is the legal framework that is based on the EU treaties. The difference in primary legislation consists mainly of the things that arise from the treaties and in particular from the Treaty of Rome, which actually turns into the Treaty on the Functioning of the European Union , the Treaty on European Union, based on the Treaty of Maastricht and the Treaty establishing the European Atomic Energy Community.

Primary legislation determines the distribution of powers and responsibilities between the European Union and the Member States of the European Union. It effectively provides a legal context within which the institutions of the European Union function and implement the relevant policies chosen by the European Commission.

The Treaty of Lisbon has revised all types of legal acts of the European Union
There are actually five types of legal acts available to the institutions of the European Union

Article 288 describes the five types of legal acts that the institutions of the European Union can adopt
These are:
Regulations
Directives
Decisions
Recommendations
And opinions.

Regulations, directives and decisions are BINDING LEGAL ACTS. Once adopted through the legislative procedure in accordance with Article 289, they are considered and become legislative acts.
Decisions may be addressed specifically to one or more addressees – Member States, natural or legal persons respectively.
A regulation is an act of general application. It is binding in its entirety and directly applicable in all Member States
A directive is an act which is binding, as to the achievement of a given result, on the Member States to which it is addressed.
A decision is binding in its entirety. When a decision specifies those to whom it is addressed, it is binding only on them.

THE EUROPEAN COMMISSION HAS BEEN NOTIFIED ON SEVERAL OCCASIONS THAT BULGARIA IS NOT TRANSPOSING BINDING REGULATIONS AND DIRECTIVES, but the EUROPEAN Commission does not take any action. Since 2007, Presidents BARROSO, JEAN-CLAUDE JUNKER and respectively VON DER LEIEN have been notified of over 1300 pieces of evidence for the LACK OF RULE OF LAW IN BULGARIA, FOR THE MAFIA in BULGARIA, because THE MAFIA HAS ITS OWN STATE – BULGARIA€

But none of them, neither Barroso, Jean-Claude Juncker nor VON DER LEIEN personally, have taken any measures or actions.

EVEN AFTER THEY HAVE BEEN CHARGED WITH THE CORRESPONDING AMOUNTS FOR THE CAUSES OF THEIR DISABILITY AND LAWLESSNESS AND THEIR ILLEGALITY AND THE UMBRELLA OVER THE MAFIA-INFORMED BULGARIA, they do not even dispute the CLAIMS. They do not object to the claims.

According to Article 289 of the TEC, the decision or directive is adopted by the European Parliament and the Council on a proposal from the Commission. The procedure is in Article 294

Legal acts adopted by legislative procedure are legislative acts.
There are also decisions without a specific addressee, which concerns foreign and security policy.
Unlike resolutions, directives and decisions, recommendations and opinions are non-legislative non-binding legal acts. Article 288 TFEU does not mention certain specific acts based on previous treaties, for example in the area of criminal law, freedom, justice and security, and they continue to apply as "framework decisions".
The institutions are free to choose the act that is most appropriate for the policy in question.
Every act must have a legal basis appropriate to the area in which it is to be adopted
Article 296 TFEU requires that acts also cite the instruments which empower them to adopt the acts and state the reasons on which they are based.

IMPLEMENTING ACTS
The responsibility for implementing legally binding EU acts is the responsibility of each Member State.
Some acts require uniform conditions for implementation.
Accordingly, Articles 24 and 26 of the Treaty on European Union empower the Council to adopt implementing acts pursuant to Article 291 TFEU.
Regulation (EU) No 182/2011 lays down the rules and general principles concerning mechanisms for control by Member States of the Commission's exercise of implementing powers.

THE COURT OF JUSTICE of the European Union is a judicial body whose task is to ensure the UNIFORM APPLICATION and INTERPRETATION of European Union law.
The Court of Justice of the EU is divided into two courts, the Court of Justice and the General Court.
The Court sits in Luxembourg. The court has 27 judges, one from each EU member state, and 11 advocates general. The Court hears cases brought against the Commission and, respectively, states for damages for breach of EU law.
The judges in the EUROPEAN COURT of Justice are currently as follows: President KOEN LENAERTS, Vice-President THOMAS von DANWITZ, President of the 1st Chamber – FRANCOIS BILTGEN, President of the 2nd Chamber – KULLIKE JURIMAE, President of the 3rd Chamber – CONSTANTINOS LYCOURGOS, President of the 4th Chamber – IRMANTAS JARUKAITIS, President of the 5th Chamber MARIA LOURDES ARASTEY SAHUN, President of the 6th Chamber INETA ZIEMELE, President of the 10th Chamber – JAN PASSER,

President of the 8th Chamber – OCTAVIA SPINEANU-MATEI, President of the 9th Chamber MASSIMO CONDINANZI, President of the 7th Chamber – FREDRIK SCHALIN, and 24 other judges and advocates general.
The Court of Justice is the one that ensures that EU law is interpreted and applied in the same way throughout the EU. These are direct cases. Direct cases are brought directly before the court. In circumstances of damage caused by non-implementation of the European Commission's own regulations or directives and their non-transposition by the relevant state, it is possible for citizens and legal entities to bring cases before the general court.
Such cases for damages are brought when it is established that both the European Commission and the relevant member state have failed to fulfil their obligations. Such cases are brought against a member state and the Commission for failure to comply with European Union law. The Court of Justice is the one that monitors and applies European law to determine whether a member state or the European Commission, respectively, complies with European Union law.

THE MAIN ECONOMIC PURPOSE OF THE EUROPEAN UNION IS THE PROTECTION OF HUMAN RIGHTS.

This is emphasized in ONE OF THE FOUNDING TREATIES
2009 The European Union adopted and gave binding force to the Charter of Fundamental Rights of the European Union .
Article 1 states – Human Dignity. Human dignity is inviolable. It must be respected and protected.
Article 2 Right to life. Everyone has the right to life,
Article 11 Freedom of expression and freedom of information
Article 20 – EQUALITY BEFORE THE LAW. All persons are equal before the law
Article 41 Right to good administration. Everyone has the right to have their affairs handled impartially, fairly and within a REASONABLE TIME by the institutions, bodies, offices and agencies of the Council.
Article 47 – Right to an effective remedy and to a FAIR TRIAL. Everyone whose rights and freedoms as guaranteed by Union law are violated has the right to an effective remedy by a court in accordance with the conditions laid down in this Article. Everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal previously established by law.

Fundamental rights and principles are protected by European Union law.
European Union law has PRIORITY OVER NATIONAL LAW, even if the national law in question HAS CONSTITUTIONAL VALUE.
ANY NATURAL OR LEGAL PERSON MAY SEEK SPECIFIC PROTECTION from the Court of Justice of the European Union

RULE OF LAW
The rule of law is enshrined in Article 2 of the Treaty on European Union. IT IS ONE OF THE COMMON VALUES of all Member States of the European Union
The Commission is obliged to prevent problems with the rule of law when they arise in a Member State. The Commission is obliged to INTERVENE IMMEDIATELY AT AN EARLY STAGE, TO AVOID THE RISK OF ESCALATION, INCLUDING AND MORE ESPECIALLY THE "EUROPEAN RULE OF LAW MECHANISM, .
Although since 2007 the European Commission, the European Parliament, the European Council, the Venice Commission HAVE BEEN INFORMED AND HAVE BEEN SUBMITTED EVIDENCE ABOUT THE MAFIA IN BULGARIA - THE MAFIA IN COURT, THE PROSECUTOR'S OFFICE - THE STATE, these institutions do not take any measures and actions.
CLEAR EVIDENCE OF A CUSHION TIGHTEN OVER THE MAFIA, OF LAWLESSNESS, INFRINGEMENT OF THE LAWS AND TREATIES OF THE EUROPEAN UNION CLEAR SUPPORT AND SUPPORT OF THIS MAFIA, APPARENTLY WHICH PROVIDES SUPPORT AND CORRESPONDING SATISFACTION FROM THIS MAFIA and their connections and contacts.
According to the rule of law, all public powers always operate within the limits, in accordance with the values of democracy and fundamental rights and under the CONTROL OF INDEPENDENT AND IMPARTIAL COURTS.
RESPECT FOR THE RULE OF LAW IS ESSENTIAL FOR THE FUNCTIONING OF THE EUROPEAN UNION.
For the effective implementation of EU law, for the proper functioning of everything

The EU has developed a number of different instruments to promote and uphold the rule of law

THERE ARE THREE PILLARS:
1/. Preventing problems with the rule of law when they arise in a given Member State
The basis is an annual report on the rule of law,

2/. Search and find an effective remedy, when a sufficiently important problem is identified in a Member State, INCLUDING THE PROCEDURE under Article 7 of the TREATY ON EUROPEAN UNION.
Therefore, the European Commission is obliged to monitor whether a given Member
State complies with European Union law. Provided that a given State does not comply with European Union law, the Commission initiates a criminal procedure against the given State, which consists of three stages.
If the Member State fails to implement or transpose, for example, an adopted Directive, Regulation of the European Commission and Parliament, the COURT decides whether the State has violated European Union law.
In cases where a Member State fails to implement certain legal acts of the European Union, such as directives, regulations, a given State may be fined IMMEDIATELY.

If the European Commission has accordingly found that a Member State has infringed EU law and has not taken any action to transpose into its law CERTAIN DIRECTIVES AND REGULATIONS adopted by the European Commission and the European Parliament and the Union, which are binding on all Member States, the Court of Justice shall issue a judgment declaring that the Member State has not complied with EU law. If the Court finds that a Member State has infringed EU law, it must take action to comply with the Court's judgment. If a Member State does not comply with the Court's judgment, the Commission may bring a second criminal case. If the Court of Justice rules in the same direction for the second time, the Court may directly impose a fine on the Member State.

THERE ARE ALSO CLAIMS FOR ESTABLISHMENT OF UNLAWFUL INACTION: The European Commission imposes heavy penalties / fines / on the member states for failure to implement European directives. For this purpose, the European Commission launches a procedure for establishing violations under Art. 258 of the TFEU. If the state does not correct its mistake, the case goes to the Court, which can impose ONE-TIME OR DAILY FINANCIAL SANCTIONS

There are two types of violations: Completely missed deadlines by the member state and did not introduce the requirements into its law

POOR TRANSPOSITION, which did not introduce or implement a MANDATORY DIRECTIVE, REGULATION, or introduced a law, but it contradicts and does not cover the objectives of the European directive.

The Council shall regularly examine whether the grounds for such a finding continue to exist

- The European Council, on a proposal from one third of the Member States of the European Commission ... may establish that there is a serious and persistent breach by a Member State of the values referred to in Article 2.
- Where a finding has been made under Article 2, the Council ... may decide to suspend certain rights resulting from the accession of the Treaties to the Member State concerned, including the right to vote of the representative of the government of that State.

- Article 10. Every citizen has the right to participate in the democratic life of the Union. Decisions shall be taken as openly and as closely as possible to the citizen.

- Article 11. The institutions / the European Commission / shall give citizens and representative organisations the opportunity, by appropriate means, to express and publicly exchange their views in all areas of Union activity.

2. The institutions shall maintain an open, transparent and regular dialogue with representative organisations and civil society.
Article 3 /ex Article 2 TEU/

1. The Union shall aim to promote peace, its values and the well-being of its peoples.

2. The Union shall offer its citizens an area of freedom, security and justice without internal frontiers.

THEREFORE THE CASE IN THE EUROPEAN COURT filed at the beginning of December 01.12.2025 AGAINST THE EUROPEAN COMMISSION, BULGARIANS, FRANCE AND GERMANY, proves that these institutions
Do not comply
Do not apply
Do not respect
Do not introduce
Do not implement / regulations, directives LAWS AND THE TREATY ON THE EUROPEAN UNION
The European Commission - Does not sanction, - Does not appoint monitoring of the judicial system in the court prosecutor's office state for the mafia in BULGARIA, does not impose sanctions, Does not open criminal procedures, Does not stop funding

Does not freeze European funding, does not impose CONTINUOUS MONITORING OF THIS MAFIA IN BULGARIA, DUE TO THE LACK OF THE RULE OF LAW.

Apart from this, although such countries as FRANCE with its presidents since 2007 – Nicolas Sarkozy- 2007-2012, François Hollande – 2012-2017, Emmanuel Macron – since 2017, THE EUROPEAN COMMISSION with its presidents JOSE MANUEL BARROSO – 2004-2014, JEAN-CLAUDE JUNKER – 2014-2019, URSULA VON DER LEYEN – from 2019 to the present, the chancellors of GERMANY ANGELA MARKEL-2005.-2021, OLAF SCHOLTZ- 2021-2025, FRIEDRICH MERTZ 2025, the prime ministers of ITALY – SILVIO BERNASCONI 2001-2006, 2008-2011, ROMANO PRODI – 2006-2008, the Prime Ministers of Great Britain – TONY BLAIR 1997-2007, GORDON BROWN – 2007-2010, DAVID CAMERON 2010-2016, THERESA MAY 2016-2019, the Prime Minister of NETHERLANDS – MARK RUTHERFORD – 2010-2024 have been notified with sufficient evidence of the mafia and mafia fascism in ULGRIA in its court, state prosecutor's office, - THEY ARE NOT FULFILLING THEIR OBLIGATIONS under the TREATY ON THE EUROPEAN UNION.

- Since 2005, the European Commission has been informed about the MAFIA ATTACK in Bulgaria in the Bulgarian courts, prosecutor's office, and state.

Indisputable evidence has been attached, such as /only some/, for double standards in court, prosecutor's office, state, legalization of crimes committed by judges and prosecutors and statesmen, legalization by the prosecutor's office of crimes committed by judges, statesmen, employees of the executive branch, legalization of crimes by citizens and companies and the state through the court and judges, legalization by the prosecutor's office and judges of the theft of hereditary properties, factories, plants and others for billions by "former AGENTS OF STATE SECURITY - in the service of the POLITICAL MASHAFI during the TIME OF SOCIALISM in the Republic of Bulgaria 1944-1989, legalization of crimes committed by the mayors of Sofia, theft of private properties, lawlessness, racketeering and extortion for payment of undue amounts of money, legalization of racketeering by state and municipal institutions over citizens, LEGALIZATION OF CRIME RACKETT EXTORTION COERCION DEATH THREATS committed by PERSONS CLOSE to the STATESMEN $ of MINISTER PRESIDENTS BOYKO BORISOV of PROSECUTORS-GENERAL LIKE SOTIR TSATSAROV, GESHEVY SARAFOV, of POLITICIANS like AHMET DOGAN, of D. Theft of 15 million US dollars from the bank account of Prince Lord Momchil Dobrev from UNICREDIT BULBANK, theft of 760,000 from CBANK - successor of UBB owner KBS - Belgium, theft of a BANK GUARANTEE of 200 MILLION US DOLLARS FROM POSTAL BANK, and another one for 500 million US dollars in favor of companies of Lord Prof. Momchil Dobrev - Halachev, Legalization through a false notarial deed by judges Chanacheva and others from the Supreme Court of Cassation, Burgas District Court, Burgas District Court - Panpayotov, Baltova, Baeva and others - judge Panayotov, THE THEFT FOR ZERO HUNDREDS by "NARKOBOS" of an apartment owned by the Dorev Halachev Dynasty in the city of Burgas on the Chernotomore - actually worth over 390,000 euros. And this on the basis of a false and illegally issued notarial deed by a notary. The notary chamber with chairman Tanev does not take any measures. Neither does the prosecutor's office. Even the judges LEGALIZE THEFT

Legalization by judges of the Supreme Administrative Court of the attempt of the Minister-President BOYKO BORISOV through a DECISION of the Council of Ministers 23010 and the Prime Minister SERGEY STANISHEV - 2009 to grant a PRIVATE LAND CONCESSION, private lands owned by the "Dynasty Dobrev Halachev," in order to be stolen. Disappeared cases of hereditary properties of Prof. Mariola Garibova-Dobreva and Prince Lord Academician Prof. Momchil Dobre as heirs of INSURANCE COMPANIES before 1944 – before SOCIALISM IN BULGARIA of properties of these insurance companies – over 69,000 sq. Legalization of theft of factories owned by the Dobrev Halachev Dynasty by the mafia worth over 890 million euros.

The disappearance of cases from 2007 for properties purchased by companies of the Dobrev Halachev Dynasty in the center of Sofia, cases only appeared in 2025 when these properties were resold and built up and resold to third parties and companies - LOSSES OF OVER 39 MILLION EUROS. A case against Judge YORDANKA MOLLOVA for a property purchased with money from the Dobrev Halachev Dynasty from 2005 disappeared only in 2025 when the property had already been RE-SOLD THREE TIMES. Cases disappeared from 2007 to the present 2025 for obligations of debtors to companies of the Dobrev Halachev Dynasty for over 450 million US dollars.

Cases have disappeared in Sofia City Court, since 2007 against Banks – UNICREDIT BULBANK, POENSKA BANK, TOKUDA BANK, UBB – KBS Bank, and others for over 980 million euros.Cases have disappeared against insurance companies that stole properties of “Dynasty Dobrev Halachev”, for over 980 million euros since 2009 in Sofia City Court. It is practically proven that the court, the prosecutor's office, the state are CONTROLLED BY THE MAFIA and the governments of the Republic of Bulgaria with Prime Minister Simeon Saxe-Coburg, Sergey Stanishev – who later became the chairman of the European Socialists, Boyko Borisov – a close friend of SAYASHT, EUROPE, ANGELA Merkel and heads of the European Commission and countries from EUROPE, and the next Prime Ministers Prof. Bliznashki, Raykov, Kiril Petkov and others.Failure to implement and transpose mandatory Directives of the European Commission, such as Directive 2005/14/EC on compensation for road traffic accidents - DEATH, where instead of RULING DECISIONS against the Insurer and the innocent party for 1 million euros and 5 million euros, the judges do not respect the MANDATORY DIRECTIVES FOR THEM and issue decisions for 9,000 euros, 12,500 euros ONLY, while a judge from the Sofia Guards Court YORDANKA BORISOVA MOLLOVA, in which the plaintiff's defender is her brother, lawyer HRISTO MOLLOV, RULES A DECISION for damages of 500,000 euros - CLEAR AND PROVEN IMPLEMENTATION OF DOUBLE STANDARDS - LAWLESSNESS - INJUSTICE€

"" RULING No. 619 Sofia, 12.06.2024
COURT OF APPEAL - SOFIA, 11TH CRIMINAL, in a closed session of June twelfth in the year two thousand and twenty-four in the following composition:
Chairman: Vesselina Valeva
Members: Krasimira Kostova, Magdalena Lazarova
having considered the private criminal case No. 20241000600745 reported by Magdalena Lazarova under the inventory for 2024

The proceedings are in accordance with Art. 243, para. 7 and 8 of the Code of Criminal Procedure. It was initiated on the occasion of a private appeal filed by M. D. against ruling No. 1421 of 12.05.2024 on appeal No. 1984/2024, by which the Sofia City Court, referred to by the same appellant, confirmed, on the basis of Art. 243, para. 6, item 1 of the Code of Criminal Procedure, a ruling of 31.01.2024 of the Bulgarian Criminal Procedure Code to terminate the criminal proceedings under DP No. 5301/2019 on the inventory of the State Directorate of Internal Affairs, ex. ex. No. 9664/2017 on the inventory of the Bulgarian Criminal Procedure Code. Disagreement is expressed with the attacked judicial act, insisting on its annulment as incorrect, unlawful and unfounded, and on returning the case to the prosecutor for further investigation into the initiated pre-trial proceedings. It is argued that in this case the statutory limitation period under Article 80, Paragraph 1, Item 2 of the Criminal Procedure Code has not expired, since the pre-trial proceedings were initiated for a crime under Article 203 of the Criminal Code against an official who is known, namely Private Enforcement Agent Georgi Dichev, and despite the lack of charges brought against him, according to established case law, the absolute limitation period of 22 and a half years has not expired as of the date of termination of the criminal proceedings. In addition, it is claimed that the materials from the pre-trial proceedings also establish data on another crime committed in 2021. a crime by the same person, for which the statute of limitations has not expired - documented under Article 311 of the Criminal Code, with the aim of concealing the crime under Article 203 of the Criminal Code and with the aim of misleading the supervising prosecutor that the embezzled amount was transferred to the account of "Audio Vega" OOD at CorpBank, which it never had, and the Sofia City Court took no action in relation to it, despite the arguments presented in the appeal. The Court of Cassation, after reviewing the content of the filed private appeal and the materials in the case, finds the same procedurally 1 admissible, and considered on the merits, well-founded for the following reasons: The pre-trial proceedings were initiated on 11.10.2019 because in the period 10-18.06.2008 in the city of Sofia, an official embezzled other people's money - the amount of 708,373 leva, property of TD "Audio Vega" OOD, entrusted to him to keep and manage them, as the embezzlement was on a particularly large scale and represents a particularly serious case - a crime under Art. 203 para. 1 in conjunction with Art. 201 of the Criminal Code. In the course of the investigation conducted so far, no specific person has been brought as an accused. By a decree of a prosecutor at the State Police General Prosecutor's Office dated 31.01.2024. the criminal proceedings were terminated on the grounds of Art. 243 para. 1 item 1 in conjunction with Art. 24 para. 1 item 3 of the Code of

Criminal Procedure in conjunction with Art. 80 para. 1 item 2 of the Criminal Procedure Code, which was confirmed by the appealed ruling of the Sofia City Court. The limits of judicial control under Art. 243 of the Code of Criminal Procedure cover rulings on the validity and legality of the act issued by the prosecutor. The circumstantial part of the decree to terminate the criminal proceedings should reflect the factual circumstances accepted as established in the case; the analysis of the evidence, as well as the relevant legal argumentation of the decision taken by the prosecutor. The prosecutor has the obligation to present convincing reasons that make it clear why the criminal proceedings are being terminated, as well as that this is the only correct decision given the available evidence, thus making visible the process of forming his internal conviction and ensuring the possibility for the parties to the case to understand the established factual and legal grounds for the decision taken and, in case of disagreement with them, to fully exercise their procedural rights, including on its appeal. As the Sofia City Court rightly noted in the decree of 31.01.2024, the factual situation is described too schematically and incompletely, while at the same time its presentation also points to data on committed documentary crimes related to the crime under Art. 203, para. 1 of the Criminal Code, for which the pre-trial proceedings were initiated. They were subject to investigation in the course of the same, evident from the oral and written evidence collected in the case, including bank statements and other bank documents, and from the two graphic, forensic accounting and forensic economic expertises appointed and prepared in the case, which, however, were not the subject of analysis in the prosecutor's decree, but were only partially marked, in the statement of the facts accepted as established. In addition, in the covers of the case there is a written request from M. D. to the State Prosecutor's Office for the immediate initiation of pre-trial proceedings, which also indicates data about a documentary crime committed by Private Enforcement Agent Dichev, for which in the present appeal a complaint is made for lack of proper ruling by the prosecutor. The request in question was sent by the 2 supervising prosecutor to the one leading the investigation "for information and application under the PD", which requires a conclusion that the allegations contained therein were subject to verification in the course of the investigation under the already initiated pre-trial proceedings No. 3M 530/2019. according to the inventory of the SDVR, to the extent that they were assessed as relevant to the subject matter of the case.

*This circumstance obliged the supervising prosecutor, in his ruling on the merits, to take a position not only on the fate of the criminal trial for the crime under Article 203, Paragraph 1 of the Criminal Code, but also on the other crimes, evidence for which was collected in the course of the investigation, especially since a finding for the same is contained in the factual situations accepted as established in the prosecutor's act issued under Article 243 of the Criminal Procedure Code - the application submitted to the Private Enforcement Agent with Entry No. 02538/ 10.06.2008. by the new manager of the debtor company "Audio Vega" EOOD, in which a new bank account of "Audio Vega" EOOD in "Corporativa tǒrgovska Banka" AD was indicated, to which the overpaid amount of 708,361 BGN was to be transferred, namely account BG**********, is a false document according to the conclusion of a graphic expertise under protocol No. 156E/2020, and the specified bank account is actually held by the creditor in the enforcement case "Megaenterprise" EOOD and from it on the same date the amount of 708,373 BGN was transferred to the bank account of Private Enforcement Agent G.D. on the grounds of "announcing a buyer of real estate on the 2nd floor of a building in Sofia Press Corpus 1", and on 18.06.2008. from the bank account of the private enforcement agent instead of the debtor, the amount of 708,361 leva was returned to the same bank account BG ********** back to the creditor on the grounds of "overpaid under enforcement case No. 247/2006", and in the payment order for the transfer available in the enforcement case (submitted by the private enforcement agent D. for the needs of the preliminary inspection - p. 122-123 volume 1 of the Enforcement Procedure Code) an incorrect circumstance was entered - for the recipient the debtor "Audio Vega" EOOD instead of the actual holder "Megaoenterprise" EOOD. However, the prosecutor was content to comment only on the crime under Art. 203 para. 1 of the Criminal Code, for which he assumed that the statutory limitation period under Art. 80 para. 1 item 2 of the Criminal Code had expired. The same approach was applied by the Sofia City Court in its ruling of 12.05.2024. under Article 243, paragraph 6, item 1 of the Code of Criminal Procedure, despite the fact that the private complaint that initiated these proceedings explicitly emphasized this omission in the attacked prosecutor's act, this objection was left without any response from the court. In view of the above, although the present appellate panel fully shares the considerations set out by the first instance court regarding the existence of the grounds under Art. 24, Paragraph 1, Item 3, in conjunction with Art. 80, Paragraph 1, Item 2 of the Criminal Code for the termination of the criminal prosecution for the crime under Art. 203, Paragraph 1 of the Criminal Code due to the expiration of the 15-year statute of limitations provided for in the law, which was not interrupted within the meaning of Art. 81, Paragraph 2 of the Criminal Code - there are no actions taken by the pre-trial proceedings authorities for the criminal prosecution of a specific person (the pre-trial proceedings were initiated against an official, who, however, was not individually identified by name, and during the course of the investigation no specific person was validly brought to criminal liability), the above-mentioned shortcomings in the prosecutor's* *ruling under Art. 243 of the Criminal Procedure Code require the annulment of the same as unfounded and unlawful and the return of the case to the General Prosecutor's Office, since they do not allow be known the will of the prosecutor regarding the remaining documentary crimes investigated in the case, for which there is no proper ruling, which is an obstacle to the implementation of judicial control on the merits regarding the presence or not of the grounds for termination of the criminal proceedings in their entirety. In this sense, the ruling of the Sofia City Court, by which the same was confirmed, should be annulled as incorrect. We conclude from the above and on the basis of Art. 243, para. 8 of the Code of Criminal Procedure,*

Sofia Court of Appeal DECIDES:

ANNULS ruling No. 1421 of 12.05.2024 on appeal No. 1984/2024 on the inventory of the Sofia City Court and the decree confirmed by it of 31.01.2024 on termination of the criminal proceedings under DP No. 5301/2019 on the inventory of the Directorate of Internal Affairs, ex. ex. No. 9664/2017. according to the inventory of the SGP. RETURNS the case to the prosecutor for implementation of the instructions given in the circumstantial part of this ruling. The ruling is final. ""

THERE ARE PROVEN gross violations committed by prosecutor Boyan Balev, WITH THE NAME FOR MILLIONS IN SOFIA, in connection with pr.pr.9664/2017, and respectively DOCHEV and under the case registrations 9113/2009, 9223/2009 and 7108/2009 by prosecutors MARIYANA STANKOVA, NINA YANEVA, DANIELA DIMITROVA, which led to a deliberate delay in the pre-trial proceedings, in order to expire the absolute statute of limitations and avoid imposing a penalty on the guilty official, in this case Private Enforcement Agent Georgi Dichev. Prosecutor Balev used his official position and, despite the evidence collected in the prosecutor's file and the initiated pre-trial proceedings, did not indict Private Enforcement Agent Dichev, giving him an umbrella in order to escape criminal liability. The inaction is a violation that should engage the disciplinary responsibility of Prosecutor Balev, who should be requested by the Supreme Judicial Council to impose the most serious disciplinary charge of disciplinary violation. In addition, you should immediately remove Prosecutor Balev from the prosecutorial file and assign it to another prosecutor from the General Prosecutor's Office. My reasons for this request are as follows

The pre-trial proceedings under 9446/2017 were initiated on 11.10.2019 because in the period 10-18.06.2008 in the city of Sofia, an official embezzled other people's money - the amount of 708,373 leva, property of TD "Audio Vega" OOD, entrusted to him to keep and manage them, - AND THIS IS PRIVATE OWNER DICHEV as the embezzlement is particularly large and represents a particularly serious case - a crime under Art. 203 para. 1 in conjunction with Art. 201 of the Criminal Code. The signal I submitted concerns an enforcement case conducted by a private bailiff Georgi Saykov Ddichev. And illegal and criminal actions by the private enforcement agent Dichev, and not someone else or any other private enforcement agent. In this case, the perpetrator is known and if prosecutor Balev had noted this, the absolute statute of limitations would not have expired at the moment. It also expired due to the fact that no charges were filed against the private enforcement agent Dichev, which would have interrupted the statute of limitations, since in this particular case for a charge under Art. 203 of the Criminal Code it is 22 years.

During the pre-trial proceedings, another crime committed by Georgi Dichev was revealed, namely a documentary one. Prosecutor Balev has deliberately not taken any position on it even at the moment, even regardless of the mandatory instructions to rule, given by the supervisory instance of the Supreme Administrative Court under case number 745/24 initiated on my appeal against the decree to terminate the pre-trial proceedings, appealed by me before the Sofia City Court, whose act was appealed by me before the Supreme Administrative Court.

Reading the reasons of the Supreme Administrative Court - DECISION No. 619 dated 12.06.2024, it becomes clear that the covers of the pre-trial proceedings contain my request to initiate immediate pre-trial proceedings against the Private Enforcement Agent Dichev, indicating sufficient data about a committed crime and sufficient evidence has been collected for the perpetrator Dichev to be held criminally liable for a documentary crime committed by him. Instead of fulfilling his official duties, Prosecutor Balev sent this request to the person conducting the investigation for information and application under the Criminal Procedure Code. By this action, Prosecutor Balev deliberately delayed the process in order to allow the statute of limitations for the first crime of embezzlement by an official in particularly large amounts to expire, as the case is particularly serious, as well as not to act fully **consciously in the presence of data on a committed documentary crime, which is established in an indisputable and undoubted manner from the evidence and from a documentary crime** committed under the DP by an official in and on the occasion of the performance of his official duties and in order to cover up another crime, namely embezzlement, since the document was presented in the prosecutor's file. Private enforcement agent Georgi Dichev is an official within the meaning of Art. 93, item 1, letter b of the Criminal Code. In an enforcement case with a debtor Audiovega OOD, he carried out an illegal public sale. According to my complaint in the course of the investigation against Private enforcement agent Dichev, the latter prepared a document with false content within the meaning of Art. 311 of the Criminal Code. With it, he pretends to have made a payment from a special account, which he maintains within the meaning of Article 24 of the Law on Private Enforcement of Debts, to the bank account of Audiovega OOD at Corpbank. The document was prepared in order to cover up another crime in the enforcement case /describe briefly/ and to establish that he transferred the remainder of the price to the debtor at the public sale, which was not done. The debtor Audiovega does not have bank accounts in Corpbank and this has been established indisputably in the case, which is why the investigation should be concluded with the opinion of the Bulgarian State Anti-Corruption Commission Dichev, charges should be brought under Article 311 of the Criminal Code and an indictment should be filed against him, and the court should be requested to deprive him of the right to be a private enforcement agent. In this regard, I am attaching a copy of the decision of the Supreme Administrative Court and quoting the most important point, which gives reason to believe that as a supervising prosecutor Balev sent this request to the investigator for information and enforcement under the Criminal Procedure Code. By this action, Prosecutor Balev deliberately delayed the process in order to allow the statute of limitations for the first crime of embezzlement by an official in particularly large amounts to expire, as the case is particularly serious, as well as not to work fully consciously in the presence of data on a committed documentary crime, which is established in an indisputable and undoubted manner from the evidence and from a documentary crime committed under the Criminal Procedure Code by an official during and on the occasion of the performance of his official duties and in order to conceal another crime, namely embezzlement, since the document was presented under the prosecutor's file. Private enforcement officer Georgi Dichev is an official within the meaning of Art. 93, item 1, letter b of the Criminal Code. In an enforcement case with a debtor Audiovega OOD, he carried out an illegal public sale. According to my complaint, during the investigation against the private enforcement agent Dichev, the latter prepared a document with false content within the meaning of Article 311 of the Criminal Code. With it, he pretended that he had made a payment from a special account, which he kept within the meaning of Article 24 of the Private Enforcement Act, to the bank account of Audiovega OOD at Corpbank. The document was prepared in order to cover up another crime in the enforcement case /describe briefly/ and in order to establish that he had transferred the remainder of the price to the debtor at the public sale, which was not done. The debtor Audiovega does not have bank accounts in Corpbank and this has been established indisputably in the case, which is why the investigation should be concluded with the opinion of the Central Bank of Bulgaria, Dichev should be charged under Article 311 of the Criminal Code and an indictment should be filed against him, and the court should be requested to deprive him of the right to be a private enforcement agent. In this regard, I am attaching a copy of the decision of the Supreme Administrative Court and quoting the most important point, which gives reason to believe that as a supervising prosecutor Balev deliberately failed to fulfill his official duties in order to escape and thwart the criminal prosecution and criminal liability of Private Enforcement Agent Dichev.

From the reasons of the CAC in Appeal Private Criminal Case No. 20241000600745 according to the inventory for 2024, it is clear that Prosecutor Balev consciously turned a blind eye to the presence of sufficient evidence of a committed documentary crime and the perpetrator is known - Private Enforcement Officer Georgi Dichev, whom Prosecutor Balev consciously did not want to indict, and who, by his inaction, violated his official duties and concealed a person who had committed a crime: In addition, the covers of the case contain a written request from M. D. to the State Police for the immediate initiation of pre-trial proceedings, which also indicates data about a committed documentary crime by Private Enforcement Officer D., for which the present appeal complains of a lack of proper ruling by the prosecutor. The request in question was sent by the 2 supervising prosecutor to the one leading the investigation "for information and application under the DP", which requires a conclusion that the allegations contained therein were subject to verification in the course of the investigation under the already initiated pre-trial proceedings No. 3M 530/2019. according to the inventory of the SDVR, insofar as they were assessed as relevant to the subject of the case, i.e. with them the scope of the investigation was practically expanded. This circumstance obliged the supervising prosecutor, in his ruling on the merits, to take a position not only on the fate of the criminal trial for the crime under Art. 203, Paragraph 1 of the Criminal Code, but also on the other crimes, evidence for which was collected during the course of the investigation, especially since a finding for the same is contained in the factual situations accepted as established in the issued prosecutor's act under Art. 243 of the Criminal Procedure Code - the application submitted to the Private Enforcement Agent with Entry No. 02538/ 10.06.2008. by the new manager of the debtor company "Audio

Vega" EOOD, in which a new bank account of "Audio Vega" EOOD in "Corporativa tŏrgovska Banka" AD was indicated, to which the overpaid amount of 708,361 BGN was to be transferred, namely account BG**********, is a false document according to the conclusion of a graphic expertise under protocol No. 156E/2020, and the specified bank account is actually held by the creditor in the enforcement case "Megaenterprise" EOOD and from it on the same date the amount of 708,373 BGN was transferred to the bank account of Private Enforcement Agent G.D. on the grounds of "announcing a buyer of real estate on the 2nd floor of a building in Sofia Press Corpus 1", and on 18.06.2008. from the bank account of the private enforcement agent instead of the debtor, the amount of 708,361 leva was returned to the same bank account BG ********** back to the creditor on the grounds of "overpaid under enforcement case No. 247/2006", and in the payment order for the transfer available in the enforcement case (submitted by the private enforcement agent D. for the needs of the preliminary inspection - p. 122-123 volume 1 of the Enforcement Procedure Code) an incorrect circumstance was entered - for the recipient the debtor "Audio Vega" EOOD instead of the actual holder "Megaoenterprise" EOOD. However, the prosecutor was content to comment only on the crime under Art. 203 para. 1 of the Criminal Code, for which he assumed that the statutory limitation period under Art. 80 para. 1 item 2 of the Criminal Code had expired. The same approach was applied by the Sofia City Court in its ruling of 12.05.2024. under Art. 243, para. 6, item 1 of the Criminal Procedure Code, despite the fact that the private complaint that initiated these proceedings explicitly emphasized this omission in the attacked prosecutor's act, this objection was left without any response from the court.

This also proves the dependence and connection of the supervising prosecutor with the private enforcement agent Dichev, with whom he has had a concat since 2009 on other cases, including against Dichev, which Prosecutor Balev terminated.

In 2009, based on a fabricated report and documents with false content after contacting Private Enforcement Agent Dichev, who had promised Private Enforcement Agent Mariola Garibova that he would ruin her, since he had huge connections everywhere, including in the State Police, Prosecutor Balev without a doubt carried out a preliminary investigation and without any reason whatsoever, filed a criminal case under case number 9223/2009 against Private Enforcement Agent Garibova, which was subsequently terminated years later due to the lack of a crime. Without an investigation, only on the basis of a single naked report, after a conversation with Private Enforcement Agent Dichev, which I also know about from other people, which is also reflected in the subsequent actions of Prosecutor Balev, which is also reflected in this criminal proceeding.

PROSECUTOR Balev SHOWED A DOUBLE, EVEN TRIPLE STANDARD?!?!?! Although as early as 2020, PROSECUTOR BALEV COULD, IF HE WAS EXECUTING THE LAWS OF THE REPUBLIC OF BULGARIA, HE SHOULD HAVE BROUGHT CHARGES AGAINST PRIVATE EXECUTION DEFENDANT DICHEV! HOWEVER, HE IS INTENTIONALLY WAITING FOR THE STATUTE PERIOD TO PASS!! IS THIS INTENTIONAL AND IN THE SERVICE OF DICHEV?!?!?!

PROSECUTOR BALEV does not even bring charges for a DOCUMENTARY CRIME AGAINST PRIVATE EXECUTION DEFENDANT DICHEV ?!?! WHY ?!?!?!

According to the pre-trial proceedings, there is also evidence of another crime committed by Private Enforcement Agent Georgi Dichev, for drawing up a document with false content under Art. 313 of the Criminal Code, for which the statute of limitations has not expired given the short time frame from the moment of drawing up the official document to the omenta. According to the file, there is sufficient data and evidence that Private Enforcement Agent Dichev presented, in order to mislead the prosecution, a transfer from his special account to the bank account of Audio Vega at CorpBank. It was established in an indisputable and undoubted manner during the pre-trial proceedings that at CorpBank the company Audiovega OOD did not have a bank account at the time of the allegedly made transfer. It was established that this transfer was not made by Private Enforcement Agent Dichev, with which he aimed solely and exclusively to conceal the criminal prosecution under the main text under Art. 203 of the Criminal Code, for which act the statute of limitations has not expired at the moment. During the investigation, sufficient written evidence was collected, which establishes the following factual situation: It was established in an indisputable and undoubted manner that the debtor in the enforcement case with Private Enforcement Agent Dichev 20068100400247 "Audio Vega" Ltd. never had a bank account with Corpbank. There is also sufficient evidence of a committed documentary crime, the attached transfer order to the company "Audiovega" OOD, which has false content and was prepared by Private Enforcement Agent Dichev in order to mislead the prosecutor working on the case that there was a transfer of this amount. This is not a clear factual error, as reflected in the reasons for the SGP's decree and for which the SGC does not take any action, despite the reasons set out in the appeal, the contested decree, but is sufficient evidence and a legal reason to initiate pre-trial proceedings for a documentary crime committed in 2021, for which the statute of limitations has not expired. This is also evidence of another crime for which Private Enforcement Agent Georgi Dichev should be charged, namely under Art. 311 of the Criminal Code, for which the statute of limitations is ten years and has not expired. The evidence collected so far is available and the legal prerequisites for an immediate indictment of Private Enforcement Agent Georgi Dichev for a documentary crime. Such evidence was also collected for a crime under Article 203 of the Criminal Code, as the case is particularly serious, as well as under Article 202 of the Criminal Code for embezzlement in particularly large amounts and the case is again particularly serious. The latter is determined both by the particularly large amount of the embezzled amount of BGN 700,000 and by the circumstance that the act was committed by a private enforcement agent, who for four terms has also been the Chairman of the Council of Private Enforcement Agents and as such should be the person of the private enforcement agent and an example to follow, whose personal data do not match given the revealed crimes, namely. Instead of indicting the private enforcement agent Dichev, prosecutor Balev suspends the DP, in order to search for a person as a witness, absolutely unfounded and unnecessary and with the sole purpose of allowing the absolute statute of limitations to expire.

In the case at hand, we are talking about evidence that is official documents and contained in the enforcement case of Private Enforcement Agent Dichev, as well as the presence of bank transfers. There is nothing to establish in these cases, which are documentary and are dealt with exclusively and only with documents. The testimony of any witness would establish absolutely nothing, much less contain a motive that he would bring charges against the manager of Megaenterprises OOD Velinov, because of whom the DP was formed. What accusation and what crime is not clear, but the goal is deliberately and consciously pursued by the inaction of Prosecutor Balev in the pre-trial proceedings - a supposedly legal, but absolutely unfounded, omission, in order for the absolute statute of limitations to expire and the criminal prosecution of the person, who is known from the moment of filing the report, to be Private Enforcement Agent Georgi Dichev, in which enforcement case was conducted with him, he, as a local bailiff, committed a crime and after that, in order to cover up his act, he prepared a document with false content, for which the criminal statute of limitations has not expired and for which he should immediately be charged-/. Already in the penultimate ruling, prosecutor Dochev on the relevant case file, there is INDISPUTABLE EVIDENCE OF DOCUMENTARY CRIME by the private individual DICHEV - namely - a representative and an electronic transfer of money to a bank account of AUDIO VEGA at CorpBank, which was proven not to be true and such a transfer never existed. THIS IS A DOCUMENTARY CRIME - FOR REPRESENTED by order of another person to DICHEV - namely Krasimir Mollov, who boasted to me that he advised DICHEV to implement such an electronic transfer order - which WAS NEVER BANKING EXECUTION and PERFORMED.

Criminal proceedings No. 5301/2019. according to the inventory of the State Directorate of Internal Affairs, case no. 9664/2017. , has been initiated and prosecuted against an official for a crime under Art. 203 in conjunction with Art. 201, paragraph 1 of the Criminal Code, for the fact that in the period 10-18 June 2008 in the city of Sofia he embezzled other people's money - the amount of 708,373 leva, property of "Audiovega" OOD, entrusted to him to keep and manage., which embezzlement is of particularly large proportions and represents a particularly serious case - a crime under Art. 203, paragraph 1 in conjunction with Art. 201 of the Criminal Code.

Thus initiated against an official, there is no way that this official is unknown, since from the materials of the correspondence and the investigation initiated in connection with this embezzlement, which was initiated by Private Enforcement Officer Georgi Dichev, there is no way that anyone other than Dichev could have the status of an official within the meaning of Art. 93 of the Criminal Code. Therefore, the criminal proceedings have been suspended, there is no need to file an indictment, and prosecutor Balev was obliged to file an indictment based on this evidence. This circumstance is also taken into account in the reasons of the SCC under case number 1984/24 regarding the decree for the termination of the DP by prosecutor Balev, which I have appealed, as the court correctly notes in its reasons, that there was a serious delay on the part of the dispersing parties and this is not accidental. Obviously, with their inaction, both the SGP and the investigators aimed for the statute of limitations to run and the criminal proceedings against the private enforcement agent Dichev to be terminated.

These are the facts and the evidence collected during the pre-trial proceedings, on the basis of which prosecutor Balev should have immediately filed an indictment against the private enforcement agent Dichev, instead of deliberately delaying the proceedings and stopping them without any reason or justification for this.

These are the facts that the prosecution has collected and about which Prosecutor Balev draws erroneous conclusions.

On 29.02.2008, the company Ovid Enterprise Ltd., the initial creditor in enforcement case 20067810400247, acquired by notarial deed volume 027, number entry reg. No. 638138 of notary Violeta Petrova, a property on the second floor of a property on Tsarigradsko Shosse Blvd. On 18.06.2008, a decree for assignment was entered, issued by the private enforcement agent Georgi Dichev in favor of the subsequent creditor in the enforcement case "Megaenterprise" EOOD. From the contested decree it is clear that on 0.06.2008, the account of the company "Megaenterprise" opened at CorpBank, the amount of 680,330 BGN from the company "Ovid Enterprise", which amount the first company transferred to the special account of the private enforcement agent Georgi Dichev on the same date on the grounds of "announcement of a buyer of real estate 2 and additional payment from a building in Sofia Press Corps 1, which amount the private enforcement agent Dichev returned back to the company that transferred them to "Megaenterprise" on 18.06.2008 on the grounds of "exceeded under case no. 247/06, additional payment". How is it that "OVID ENTERPRISE" acquires PROPERTY in February and then FOR THE SAME PROPERTY, the private enforcement agent DICHVE ISSUES DECISIONS FOR ASSIGNMENT to the RELATED to this company - the company "Megaenterprise" ?!?! THE PURPOSE IS CLEAR.

The correct conclusions indicate that it is completely pointless for the primary claimant "Ovid Enterprise" to purchase from the debtor "Audio Vega" the same property by a notarial deed, which will be acquired by public sale by the subsequent claimant "MegaEnterprise" to whom "Ovid Enterprise" has transferred the claim.It is not logical for the second company to transfer the amount of 680,330 levs to the account of "Megaenterprise", which should transfer them to Private Enforcement Agent Dichev, who in turn should return them back to them. All this requires the conclusions that a public sale in the enforcement case of this second floor with the debtor "Audio Vega" was not carried out and a decree for assignment was issued, which was entered to give the appearance that this property was acquired by the company "Megaenterprise" and fictitious payments were also made to the account of Private Enforcement Agent Dichmev, which fictitious amount is returned back to the buyer, who in turn returns them back to the imports "Ovid Enterprise". All this is to steal this property without paying for its acquisition and this is in complicity with Private Enforcement Agent Dichev in his enforcement case. If there was a public sale and a decree for assignment was issued, then Private Enforcement Agent Dichev to prepare an allocation under Art. 495 of the Civil Procedure Code, by deducting the claim that the company "Megaenterprise" has as a creditor and after including all the expenses of the enforcement case, as well as after examining the possible obligations of the debtor to the National Revenue Agency, an allocation is prepared, which determines the amount to be paid to the buyer, who is also a creditor, and this is by no means the entire amount of the public sale 708,373 but much smaller and after this allocation comes into force, which is communicated to the parties, the buyer-creditor pays the difference after deducting his claim and other expenses and this is not the entire amount of the public sale 708,373 BGN. After the amount is paid and the award decree comes into force, which is served on the parties for appeal within seven days of the service and payment of the local tax for A decree for registration is issued upon the seizure of the property. It is not possible to do this within seven days. Moreover, THE AMOUNT THAT REMAINS IS NOT RETURNED TO THE BUYER, IN THE CASE OF THE COMPANY "MEGAO ENTERPRISE", BUT IS PAID TO THE DEBTOR IN THE CASE OF AUDIO VEGA

The above requires a conclusion that this is an organized criminal group, with the complicity of a private bailiff in an enforcement case for the purpose of acquiring property, without paying the corresponding amount and stealing the money that is owed to the previous owner. The case is particularly serious, precisely because of the personality of the private enforcement officer Dichev, since without his participation this crime cannot be committed on the one hand and on the other hand the conclusions that can be drawn about a criminal self-confidence committed by the Chairman of the professional guild, who should have a behavior for example. Instead, the person commits the most audacious and unscrupulous crime, counting precisely on the fact that as chairman of the BCPEA, the Prosecutor's Office, which has so far stretched an umbrella over his actions, will continue to do so in the future and his actions will remain unpunished, possibly extinguished by statute of limitations, as is stated in the last part of the attacked decree.

5/. Georgi Dichev's action is related to another case and was initiated by the Private Enforcement Officer Garibova, namely enforcement case 20068620400028, because of which case and the amounts received from it under a transferred public sale on the same second floor of Tsarigradsko Shosse Blvd. The first was deprived of rights with the active behind-the-scenes behavior of Private Enforcement Officer Dichev and during this punishment the amount received from the buyer of about 680,000 leva was illegally transferred by the voluntarily accepted archive of Garibova, Private Enforcement Officer Kovacheva, who illegally transferred without having the rights to work on the special account opened in the name of Private Enforcement Officer Garibova to Private Enforcement Officer Cholakov, together with the enforcement case. In order to attack the public sale of Private Enforcement Officer Garibova held at the end of May 2008, which public sale on appeal was confirmed by the Sofia City Court, Private Enforcement Agent Dichev created a document with false content - a decree for the assignment of the same second floor without a public sale being held, which decree was immediately registered with the Registry Agency. The fact that a public sale was not held in the enforcement case of Private Enforcement Agent Dichev is evidenced by the transfer of the amount of 708,373 BGN to his special account /established by revealing bank secrecy/, which was intended to create the appearance of payment and the return of the same amount on 18.06.2008 to the ordering party

"Megaoenterprise" EOOD. The public sale aims to cash in on the debtor's property, in this case "Audiovega" OOOD, in order to collect the claim of the creditor, in this case constituted under the cession agreement "Megaoenterprise" OOOD. After collecting the amount of the obligation, the remainder is transferred to the debtor, in this case "Audiovega" Ltd., and not the creditor. This gives sufficient reason to assume that no public sale was carried out and the entered decree for assignment by the private enforcement agent Dichev is a document with false content - i.e. there is sufficient data to carry out in total

7/. Although in 2016, 2017, 2019, 2020, 2024, 2025 President TRUMP and PERSONALLY the OFAC service have been notified with all the evidence about THIS UMBRELLA of Private Enforcer Georgi Saykov DICHEV, who committed proven by the ruling of the Sofia COURT OF APPEALS CRIMES UNDER THE CRIMINAL CODE, no prosecutor at the moment BOYAN BALEV has not executed a court decision for more than a year, and THEY DO NOT INTEND TO BRING A CRIMINAL CASE against Private Enforcer Georgi DiCHEV for stolen MILLIONS from an AMERICAN COMPANY, there is no reaction. BY COMPARISON, A PRIVATE BAILIFF WHO embezzled around 300,000 euros was sentenced by the ASENOVGRAD DISTRICT COURT to 8 EIGHT YEARS IN PRIVATE PRIVATE BAILIFF GEORGI SAYKAVO DICHEV, DESPITE THE FACT THAT HE EVEN CAUSED LOSSES AND THEFT OF MONEY FROM AN AMERICAN COMPANY AND CAUSED LOSSES OF A BILLION US DOLLARS.THIS IS EVIDENCE OF THE DOUBLE STANDARDS OF THE ADMINISTRATION OF PRESIDENT TRUMP, OF THE OFFICE OF THE OFFICE, WHICH DESPITE HAVING ENOUGH EVIDENCE, DOES NOT SANCT FOR CORRUPTION AND THE MAFIA CHP GEORGI SYKAVO DICHEV, PROSECUTORS BALEV, MARIYANA STANKOVA, DIMITROMA, YANAVE, DOCHEV, PROSECUTORS CHIEF SOTIR TSATSAROV, BORIS VELCHEV, IVAN GESHEV, BORISLAV SARAFOV. THESE ARE THE DOUBLE STANDARDS – THIS IS AN UMBRELLA OVER THE MAFIA IN FAVOR OF THE MAFIA OF THE MAFIA FASCISM OF THE LAWLESSNESS OF CORRUPTION, OF THE LAWLESSNESS OF THE MAFIA-.

8/. Other EVIDENCE OF DISAPPEARED enforcement cases in which the claimant is Lord Prof. Momchil Dobrev-Halachev and his companies for a value of over 39 million euros and which enforcement cases, according to Private Bailiff NEDELCHO MITEV and Private Enforcement Agent Galin KOSTOV, have DISAPPEARED BY ORDER OF PRIVATE BAILIFF GEORGI SAIKOV DICHEV

Although since 2023 the Ministers of Justice KRUM ZARKOV, Prof. YANAKI STOILOV, MARIA PAVLOVA, GEORGI GEORGIEV from the GERB Party, YANKULOV, Assoc. Prof. SLAVOV and the last Minister NIKOLAY NAIDENOV have been notified to CONDUCT AN INSPECTION of all private bailiffs and TO DEPRIVE THEM of rights as Private Bailiffs "FOREVER" due to obvious and proven to have disappeared on the orders of the mafia and GEORGI DICHEV our enforcement cases with these private enforcement agencies for our receivables of over 39 MILLION EUROS, the ministers have THROWN AN UMBRILLATION OVER THESE REALLY COMMITTED CRIMES – to disappear enforcement cases about COURT DECISIONS THAT HAVE ENTERED INTO FORCE for an amount over 39 MILLION EUROS.Initially, the executed cases were transferred to the Private Enforcement Agent NEDELCHO MITEV, but after his assistant STATES THAT BY ORDER OF DICHEV, the Private Enforcement Agent NEDELCHO MITEV WILL NOT CARRY OUT ANY ACTIONS TO COLLECT THE DEBT, Lord Prof. Momchil Dobrev is forced to transfer the execution cases to other Private Enforcement Agents who RETURN THE EXECUTION CASES AND THEY REFUSE TO CARRY OUT THEIR DUTIES AS PRIVATE COURT ENFORCEMENT
The following execution cases were transferred to the Private Enforcement Agent NEDELCHO MITEV, namely: 1624/23, 1625/23, 1626/23, 1627/23, 1628/23, 16)42):23, 1635/23, 1636/23, 1637/23, 1638/23, 1639/23, 1640/23, 1641/23, 1648/23, 1649/23, 1647/23, 1646/23, .

Immediately afterwards it became known THAT PRIVATE INDEPENDENT NEDELCHO MITEV WAS ORDERED BY PRIVATE INDEPENDENT GEORGI DICHEV NOT TO CARRY OUT ANY ACTIONS, although the enforcement cases had to collect 1 million euros, 800,000 euros, 500,000 euros, 380,000 euros each – five enforcement cases, 350,000 euros – six cases, 390,000 euros, one million three hundred and fifty thousand euros and other amounts.
Then Prince Lord Prof. MOMCHIL DOBREV transfers the following enforcement cases to the following Private Bailiffs:
Enforcement case 1636/23 of Private Enforcement Agent G. NIKOLOV
Enforcement case 1638/23 of Private Enforcement Agent APOSTOLOVA
Enforcement case 1641/23 of Private Enforcement Agent DELIBOSOV

Enforcement case 1649/23 of Private Enforcement Agent Nasko Georgiev and then of Private Enforcement Agent Ilko BAKALOV in Burgas Enforcement case 1640/23 of Private Enforcement Agent Miroslav KOLEV
Enforcement case 1637:23 of Private Enforcement Agent Siika Anadolieva Enforcement case 1626/23 of Private Enforcement Agent Reneta Milcheva Vasileva - claim for over a million leva
Enforcement case 1639/23 of Private Enforcement Agent Nikola POPOV
Enforcement case 1631/23 and 1635/23 of Private Enforcement Agent DICHEV
All these Private Enforcement Agents- in VIOLATION OF THE CPC and LAWS for private bailiffs HAVE REFUSED to file the transferred cases BECAUSE THERE WAS AN ORDER FROM PRIVATE BANKRUPTCY DICHEV not to file these enforcement cases and not to take any action. THESE ARE LOSSES OF OVER 39 MILLION EUROS.

Lord Prof. Momchil Dobrev is forced to transfer all enforcement cases from Private Enforcement Agent Nedelcho Mitev to Private Enforcement Agent Galin Kostov, who To Private Enforcement Agent Galin Kostov Sofia Blvd. EVlogi i Hristo Georgievi No. 97, 5th floor, who refused to take ANY ACTIONS on enforcement cases filed with him by us and transferred from Private Enforcement Agent NEDELCHO MITEV, namely 2748,2743,2171,2173,2174,2175,1937,2176 - FORFEITURE of properties and others, due to which WE LOST over 39,000,000 euros

Since Private Enforcement Agent GALIN KOSTOV refuses to take action on enforcement cases, Lord Prof. Momchil Dobrev transfers the enforcement cases from him to the following Private Enforcement Agents
2172/23, 1937/23,2176/23, 2174/23, 2177/23, 2171/23, 2173/23, 2175/23, 2747/23, 2748/23, 2743/23, 2746/23, 2744/23, 2745/23,3728/23, 2171/23, 2175/23, 2173/23, 2176/23,2177/23
As the following cases 2177/ 23 and 2176/23 have been transferred to Private Enforcement Agent Miladin Miladinov,
2175 / to Private Enforcement Agent Mariyan Petkov,
2745/2023 to Private Enforcement Agent DACHEV
Completed cases 2171/23, 2741/23,2740/23 of Private Enforcement Agent Kerezieva,
1936/2023 of Private Enforcement Agent Nikolao Popov
Execution cases 2171/23, 2172/23, 2742/23, 2739/23, 2173/23 were transferred to Private Enforcement Agent TSACHEVA,
Execution case 2173/2023 of Private Enforcement Agent BIZOV,
Execution cases 2743/23, 2748/23, 2747/23 of Private Enforcement Agent MOLLOVA,

In the end, it was established that the EXECUTIVE CASES HAVE DISAPPEARED.
OUR REAL LOSS IS FOR OVER 39,000,000 EUR.

Despite this indisputable evidence, ministers KRUM ZARKOV, prof. YANAKI STOILOV, MARIA PAVLOVA, GEORGI GEORGIEV from the GERB Party, YANKULOV, Assoc. Prof. SLAVOV do not conduct an inspection and do not initiate disciplinary proceedings against the GUILTY PRIVATE ENFORCEMENT OFFICERS - WHICH PROVES THAT THE ENFORCEMENT OFFICERS SERVE THE MAFIA. The ministers of justice do not initiate disciplinary proceedings against all the cited private enforcement officers and DO NOT DEPRIVE THEM "FOREVER" of their rights as private enforcement officers and do not EVEN refer the matter to the prosecutor's office for the initiation of the relevant criminal proceedings against them.IT WAS REQUESTED ON THE BASIS OF THIS EVIDENCE THAT THE PRIVATE COURT ENFORCEMENT BE CLOSED BY THE MINISTERSKRUM ZARKOv, prof. YANAKI STOILOV, PAVLOVA, GEORGIEV, YANKULOv, Assoc. Prof. SLAVOV and the last Minister NIKOLAY NAIDENOV.
Nothing followed

- THE SUPPORT and COVERAGE by MINISTERS by the Chairman of the Chamber of Private Enforcement Agents GEORGI SAIKOV DICHEV theft of over 700,000 euros from a creditor by Private Enforcement Agent IVAN TODOROV CHOLAKOV and his wife private enforcement agent Radost GORANOVA-CHORAKOVA and lawyer Alexander TONEV - full support from the prosecutor's office, ministers, judges throughout Bulgaria and failure to implement the law by the MINISTERS KRUM ZARKOv, prof. There is a scheme for THEFT OF MONEY organized by Private Enforcement Agent IVAN Torodov Lochakov, Private Enforcement Agent Radost Goranova-Cholakova and lawyer Alexander TONEV, and signed documents by my husband Tsvetan Petrov Petkov - manager of the company DITs-OOD UNDER THE THREAT OF DEATH by Private Enforcement Agent IVAN Cholakov - coercion, extortion, FRAUD IN PARTICULAR LARGE SCALE over 670,000 leva, stretching an umbrella over Private Enforcement Agent Cholakov and Private Enforcement Agent Radost Cholakova by the Inspectorate of the Ministry of Justice, the Chamber of Private Enforcement Agents and the Council of the Chamber of Private Enforcement Agents, concealment of crimes, theft and fraud in particularly large scales, crimes committed by the COUNCIL OF THE CHAMBER OF PRIVATE ENFORCEMENT AGREEMENTS in the person of Private Enforcement Agent Hadzhiivanov, Private Enforcement Agent Gorchev, Private Enforcement Agent Tsacheva, Private Enforcement Agent Apostolova, Private Enforcement Agent Tarlaovski, Private Enforcement Agent Haladzhova, Private Enforcement Agent Popov, Private Enforcement Agent Stoyanov, Private Prosecutor Ilieva-Kostadinova, Private Prosecutor Nikolov, Private Prosecutor Anadolieva, Private Prosecutor Hristo Georgiev And all this because of the PROVEN inaction, stretching an umbrella over Private Prosecutor Ivan Todorov Cholakov and Private Prosecutor Radost Cholakova, covering up crimes, theft and fraud on a particularly large scale, crimes committed by the COUNCIL OF THE CHAMBER OF PRIVATE PROSECUTORS in the person of Private Prosecutor Hadzhiivanov, Private Prosecutor Gorchev, Private Prosecutor Tsacheva, Private Prosecutor Apostolova, Private Prosecutor Tarlaovski, Private Prosecutor Haladzhova, Private Prosecutor Popov, Private Prosecutor Stoyanov, Private Prosecutor Ilieva-Kostadinova, Private Prosecutor Nikolov, Private Prosecutor Anadolieva, Private Prosecutor Hristo Georgiev, covering up the crimes of Private Prosecutor Chokalova and Private Prosecutor Cholakov, stretching an umbrella, LEGALIZING CRIMES, THEFT, FRAUD ON A PARTICULARLY LARGE SCALE, and the facts are UNDISPUTED :
FACTOLOGY

1/. By virtue of the Decision in arbitration case 29/2018 of the Arbitration Court at the BCCI and confirmed by the Sofia City Court in case 638/2021, "Road Construction" AD was sentenced to pay the following amounts to the company DITs-OOD with manager Tsvtan Petkov: 420063.85 leva, 79150.39 leva interest for delay on the principal of 420063.85 leva for the period from 08.03.2015 to 08.03.2018, the statutory interest on the amount of 100,000 leva for the period from 08.03.2018 and 07.09.2019 on the amount of 420063.85 leva for the period from 08.09.2019 until full payment, as well as the amounts of 8180 leva and 8640.95 leva costs of the case.
My husband Tsvetan Petkov and the company DIC DID NOT RECEIVE ANY money from "Road Construction" AD in the case 595563.10 leva quoted by you.Private enforcement officer Cholakov threatened my husband Tsvetan Petkov in his office in Sofia, 3 Tsar Boris Blvd. No. 7, that if I do not sign a contract for an order with him as a third party and lawyer Alexander Tonev, to whom 470,000 leva will be transferred, then these three guys who suddenly enter the room - BANDITS $ GORILLAS will talk to him, and force him to sign. At the risk of her life, Tsvetna Petkov was forced to sign this contract for the order that the money would be transferred from the special account of the private enforcement agent RADOST GORANOVA-CHOLAKOVA to the account of attorney Alexander Tonev, who was not present there and did not actually sign this contract for the order.

My husband Tsvetan Petkov was threatened with physical violence and out of fear for his life he signed. Attorney Tonev was not in the office of the private enforcement agent Cholakov when the contract for the order was signed, the party is attorney Tonev, the third party is the private enforcement agent Cholakov and me.My husband Tsvetan Petkov was forced to sign a financial assistance agreement with the private enforcement agent Radost Cholakova because she promised him that they would pay fees and other things to experts and arbitration judges, which was a lie, because the arbitration decision did not recognize Tsvetan Petkov's company's receivables and liabilities of Road Construction to his company DIC in the amount of 670,000 leva proven in the accounting expertise. Tsvetan Petkov was forced to sign this financial assistance agreement with the private enforcement agent Radost Goranova-Cholakova. Tsvetan Petkov never received the amount of 50,000 leva in any way from the private enforcement agent Radost Cholakova.

Tsvetan Petkov during the years 2016 was forced to sign a power of attorney to Alexander Nikolaev Georgiev, but he immediately withdrew it. He was forced to make a power of attorney for him, he was forced by the private enforcement agent Chokalov and Radost Cholakova. The facts of TSVETAN PETKOV in the signals / I attribute in full:

" 1/. THE VIOLATIONS of the Private Enforcement Agent Goranova-Cholakova reg. No. 925 are indisputably proven:

In connection with the deprived of rights Ivan Todorov Cholakov and the accepted official archive of the Private Enforcement Agent Radost Goranova - Cholakova reg. No. 925 with the jurisdiction of the Sofia District Court,

who is also his wife, I am obliged to inform you of the following irregularities: 1 The office where the activities and official archive of the Private Enforcement Agent Ivan Cholakov were located in Sofia, 7 Tsar Boris 3 Blvd., 3rd floor, office 5, after his deprivation of rights continues to be used as an office, this time of the Private Enforcement Agent Cholakova, which is evident from her website. On the website we read a message from the Private Enforcement Agent Cholakova that for meetings with clients, meetings with the Private Enforcement Agent can take place in the office in Sofia, as well as notification regarding the official archive of the disqualified Ivan Cholakov - announcement that inquiries on the cases themselves and the deposit of documents can be made at the address Sofia, Tsar Boris 3 Blvd. No. 7, 3rd floor, office 5, which is the address of Cholakov's former office.

According to the provision of Art. 12, paragraph 3 of the Private Enforcement Act, the office is located on the territory of the district court. For Private Enforcement Act Radost Cholakova, this is the Sofia District Court, as the office in Sofia at the above-cited address does not fall within this area.
The private enforcement agent is obliged to strictly comply with the laws, as non-compliance with the requirements for an office under Art. 12 of the Private Enforcement Act may also lead to the termination of his powers.

2/. Although Private Enforcement Act Ivan Cholakov has been disqualified, as I learned from the media, he continues to work in his office on Tsar Boris Blvd. No. 3, to present himself as a private bailiff, in which his wife, Private Enforcement Officer Cholakova-Goranova, works, which I learned is with the area of operation of the Sofia District Court, which is OUTSIDE SOFIA. The office also has a support team of at least 3 people, which I am reporting.I am reporting for an inspection of the activities of Private Enforcement Officer Radost Cholakova, reg. № 925, Private Enforcement Officer V.Lyubenova, reg. 780 and Private Enforcement Officer Ivanov Cholakov for the three of them committing together and separately drastic violations and abuses, undermining the prestige of the profession, and I have requested that disciplinary proceedings be initiated against the three of them with the imposition of the most severe penalty "DEPRIVATION OF RIGHTS" FOREVER.

The facts are as follows: Based on a writ of execution issued by the 74th Chamber of the Civil Service Commission under case number 49188/2013 in favor of the company "Bobo 5 and sons" OOD, represented by Nikolay Borisov Neykov with address Yablanitsa, ul. "Gurko" № 72, with the Private Enforcement Officer Ivan Cholakov, an enforcement case was opened under number 20137830400706, transformed by the Private Enforcement Officer Cholakova under number 20189250401592.Since there were no enforcement actions in the enforcement case with the Private Enforcement Officer Cholakov and then with the Private Enforcement Officer Cholakova and their performance was not requested by the creditor "Bobo 5 and Sons" OOD, Tsvetan Petkov filed on 19.03.2021 a request for termination of the enforcement case due to a change in ownership, which the Private Enforcement Officer RADOST GORANOVA - CHOLAKOVA does not do - does not comply with the LAW.On 19.04.2021, Tsmetanpetkov obtained a writ of execution against Road Construction Dobrich for the amount of 595,563.10 leva. On the same day, he also received a seizure notice in enforcement case 706/13. On 19.04.2021, his debtor "ROAD CONSTRUCTION" who is NOT IN THE ENFORCEMENT CASE WITH PRIVATE EXECUTIVE OFFICER RADOST GORANOVA -CHOLAKOVA - transfers at the request of PRIVATE EXECUTIVE OFFICER Cholakova, which she does despite the change that has occurred and without having terminated the enforcement case, for which she is obliged by law and given that the termination occurs by law, and not by virtue of an act of the Bailiff, with which request she seizes the quoted amount, upon the TAKEOVER OF THE COMPANY OF TSVETAN PETKOV from the debtor Road Construction, who transfer the amount to her enforcement case and to her special account.

On 12.07.2021, Tsvetan Petkov was personally invited by Private Enforcement Agent Ivan Cholakov to visit his office at 7 Tsar Boris Blvd. in Sofia, to "work". He received me in his office.Private Enforcement Agent Cholakova and two other employees were in the office. In his office, where only the two of them were, Private Enforcement Agent Cholakov threw two things on the table for Tsvetan Petkov to sign.Tsvetan Petkov started reading, and IVAN TODOROV CHOLAKOV said, "What are you going to read, I won't lie to you". One sheet was about Bobo 5 and sons, but Tsvetan Petkov objected to the second one.This was some kind of contract for an order, which WAS APPLIED TO MINISTER ZARKOVM AND EVEN TO MINISTER prof. YANAKI STOILOV, by virtue of which the difference between the transferred amount from Road Construction 595,565 *and the amount on the execution certificate and expenses, was to be transferred to a trust/client/account of lawyer Alexander Ivaylov Tonev, with a business address Sofia, 13 Dunav Str., 2nd floor, with the account being in UBB.Tsvetan Petkov does not know lawyer Tonev. I refused to sign this document and then Cholakov gets up, opens the glass blind in the office and there Tsvetan Petkov sees three people he does not know.Cholakov invites them with his hand to come to them and says "THESE BOYS ARE HERE TO HELP YOU SIGN AND LATER YOU WILL DRAW THEM".Tsvetan Petkov was very scared and since he had no other choice, he signed the contract. This contract was also signed by Ivan Cholakov as the controlling party, and was not signed by lawyer Tonev, since he was not present in Cholakov's office, as the executor of the contract. Subsequently, Tsvetan Petkov learned that the amount under the writ of execution had been transferred to the creditor in the enforcement case initiated by the Private Enforcement Officer Cholakov under number 706/13 and transformed by the Private Enforcement Officer Cholakova under number 1592/18. Subsequently, he received messages by email from Cholakov that he could transfer him a maximum of 40-50 thousand leva from the remainder of 595,563 after transferring the creditor "Bobo 5 and Sons" and received threats that he would be left without them since he did not want to receive them.*

AFTER THE AMOUNT OF OVER 470,000 BGN WAS TRANSFERRED to attorney Alexander TONEV after an invitation to him to transfer it to him, the same EXPLAINS that since the person ALEXANDER NIKOLAEV GEORGIV WHO had a power of attorney from Tsvetan PETKOV, which was actually revoked on 30.11.2016. and although it has been withdrawn and this is known both by Private Enforcement Agent CHOLAKOV and Private Enforcement Agent RADOST CHOLAKOVA, the latter - ALEXANDER NIKOLAEV GEORGIEV WITHDRAWN MY COMPANY'S MONEY from the specialist lawyer's account of lawyer ALEXANDER TONEV" THIS IS A SCHEME FOR THEFT OF MONEY IN A PARTICULARLY LARGE SCALE.Although Private Enforcement Agent Cholakov is deprived of rights, his office on Tsar Boris the Third Blvd. in Sofia is open and functioning, where Private Enforcement Agent Cholakova also operates, whose territorial jurisdiction is outside Sofia city and is within the jurisdiction of the Sofia District Court and whose office is not in Sofia, but in Slivnitsa. For what reasons does Cholakov present himself as an acting Private Enforcement Agent after being deprived of rights. Since what was done by the three Cholakov, Cholakova and Lyubenova is grossly violates the principles of judicial enforcement, morality and the good name of private judicial enforcement, what has been done also speaks of the committed elements of a crime, for which I will additionally report the Specialized Prosecutor's Office for an organized criminal group.3/. Private enforcement agent Goranova-Cholakova carries out commercial activities. I was forced to conclude a contract. "Obviously, the goal is to STOLE THIS MY MONEY about 500,000 leva, as the actions of Private enforcement agent Cholakov, Private enforcement agent CHOLAKOVA, attorney Tonev, Neykov, assisted by attorney Tonev, Nikoyl Neykov from the company "Bobo 5 and Sons", and Private enforcement agent LYUBENOVA.

THE VIOLATION IS SO DRASTIC that after the initiation of disciplinary proceedings, PRIVATE ENFORCEMENT OFFICERS CHOLAKOVA, PRIVATE ENFORCEMENT OFFICERS LYUBENOVA SHOULD BE IMMEDIATELY REMOVED FOREVER FROM THEIR POSITION AS PRIVATE ENFORCEMENT OFFICERS.With the attached contract between PRIVATE ENFORCEMENT OFFICERS Goranova-Cholakova and Tsvetan PETKOV, A REQUEST IS MADE FOR THE IMMEDIATE DEPRIVATION OF RIGHTS AS PRIVATE ENFORCEMENT OFFICERS "FOREVER" of PRIVATE ENFORCEMENT OFFICERS Goranova-Cholakova reg. No. 925, since she carries out incompatible COMMERCIAL ACTIVITIES in VIOLATION OF art. 6 item 7 of the PRIVATE ENFORCEMENT OFFICERS ACTIVITY and SHOULD BE DEPRIVED of rights as a Private Enforcer on this basis alone.Attached to the MINISTERS PROFV YANAKI STOILOV AND YAVOR ZARKOV is a FINANCIAL ASSISTANCE AGREEMENT dated 01.09.2019 between RADOST RUMÉNOVA GORANOVA-CHOLAKOVA - as a lender and me Tsvetan Petrov Petkov as a borrower.

This agreement establishes that the Private Enforcement Agent Cholakova-Goranova, in violation of the Private Enforcement Agents Act, carries out several unregulated activities such as commercial, credit without the necessary permit and activities in gross violation of the rights and obligations of a Private Enforcement Agent, as well as lobbying in a commercial case.

The purpose of the agreement under item 3 A and B are the cited enforcement cases from the official archive, for which I am a debtor, and Radost RUMÉNOVA GORANOVA-CHOLAKOVA is a Private Enforcement Agent. It is these agreements that contradict the rights that, under Article 2 of the LPEA, are assigned by the Minister to the Ministry of Justice, who, having assigned them, also has the rights to take them away, even without conducting disciplinary proceedings initiated by him, under which he can request a penalty of "deprivation of rights forever". In item 3 et seq., remuneration is also agreed upon, in the form of interest, also inadmissible for a private bailiff, I have attached this contract"

- ✓ MINISTRY OF JUSTICE as a body of repression against honest PRIVATE ENFORCEMENT OFFICERS based on complaints and signals from people close to the mafia Ministry of Justice as a repressive neoliberal neofascist body for initiating DISCIPLINARY PROCEEDINGS against PRIVATE ENFORCEMENT OFFICERS without any violations in order to punish and deprive them of rights. The Ministry that prepares false reports and initiates disciplinary proceedings against PRIVATE ENFORCEMENT OFFICERS provided that in the complaints of the mafia individuals NOT EVEN ONE EXECUTIVE DECREE IS QUOTED, under which there are violations-

INECURABLE DISEASES. : ESSENTIALLY refusing and stretching an AWNING over the private enforcement agents from the mafia WHO HAVE embezzled HUNDREDS OF THOUSANDS OF EUROS, have charged CREDIT COLLECTORS with HUNDREDS OF THOUSANDS OF EUROS - FOR LOANS AND MONEY LAUNDERING and THEFT OF MONEY from creditors,

✓ SCHEMES OF REPRESSION OF THE NEOLIBERAL NEOFASCISTIC MAFIA of the Chairman of the Chamber of Private Enforcement Agents DICHEV and his cronies in the Council of the Chamber of Private

Enforcement Agents – THE GOAL IS TO CRUSH THE INCONVENIENT PRIVATE ENFORCEMENT AND PRIVATE ENFORCEMENT THAT DO NOT BELONG TO THE MAFIA

FIRST OPTION - SCHEME OF THE ORDER OF THE MAFIA CHIEFS DICHEV and the Council of the Chamber of Private Enforcement Agents: FOR REPRESSION THROUGH THE PROSECUTOR'S OFFICE AND THE PROSECUTORS OF THE MAFIA under the Chief Prosecutors SOTIR TSATSAROV, Assoc. Prof. BORIS VELCHEV and IVAN GESHEV

- SIGNAL from Private Enforcement Agent Dichev to the Council of the Chamber of Private Enforcement Agents to the Prosecutor's Office - to the Chief Prosecutor SOTIR TSATSAROV, to the Chief Prosecutor Assoc. Prof. BORIS VELCHEV and to the prosecutors personal acquaintances of Private Enforcement Agent DICHEV - prosecutor MARIYANA STANKOVA, prosecutor BOYAN BALEv, prosecutor OCHEV prosecutor Tsankov, prosecutor NINA YANEVA and dozens of other prosecutors, whose offices SI DICHEV enters unhindered whenever he wishes and requests.

- A PROSECUTOR SERVING THE MAFIA INSTITUTES CRIMINAL PROCEEDINGS AGAINST AN INNOCENT immediately even just on a SIGNAL WITHOUT HAVING ANY WRITTEN EVIDENCE, WITHOUT HAVING A SINGLE WRITTEN EVIDENCE. THE GOAL is to bring a criminal case to court, and then a SPECIFIC JUDGE serving the mafia to convict the JUDGE AND TO DROP HIM OFF OF RIGHTS IN GENERAL AS A PRIVATE BAILIFF.

- JOURNALIST VALYA AHCHIEVA MAKES A TELEVISION SHOW ON BULGARIAN NATIONAL TELEVISION AND BROADCASTS IT ON TELEVISION, using the lies and slander spread by police officers such as IVO SAVOV, VANDOVA, VLADIMIROVA and others from the National Police - police officers who are from the mafia and serve the ORDERS OF THE MAFIA.

- A MAFIA JOURNALIST PUBLISHES THESE LIES AGAIN IN A WEEKLY OR DAILY NEWSPAPER, for example in the BANKER newspaper, and other newspapers
- THE PURPOSE IS TO DESTROY HUMAN LIVES.

SECOND OPTION - THROUGH COMPLAINTS OF REPRESENTATIVE PERSONS, a disciplinary case against a certain private enforcement officer should be initiated, whereby he/she should be deprived of his/her rights

- Private enforcement officer DICHEV forces people – creditors or debtors in enforcement cases in REMOVAL NOTICES Private Enforcement Officer TO WRITE COMPLAINTS AGAINST THE SPECIFIC PRIVATE ENFORCEMENT OFFICE. As complainants, loyal friends of Private enforcement officer DICHEV such as Krasimir Mollov and others are used.

- Then a REPORT is PREPARED - FRAUD, a DOCUMENT WITH FALSE CONTENT and with lies and false data and based on this report, which is not provided to the sanctioned MSI, the Council of the Chamber of Private Enforcement Agents with Chairman Private Enforcement Agent DICHEV and Private Enforcement Agent IVAN HADJIIVANOV makes a decision to initiate a disciplinary case with a penalty of DEPRIVATION OF RIGHTS as a Private Enforcement Agent

- Then the disciplinary panel confirms the INSANE DECISION OF THE COUNCIL OF THE CHAMBER - THE MAFIA .

- AFTER THIS, THE MAFIA in the CHAMBER OF PRIVATE EXECUTIVE OFFICERS with Chairman PRIVATE EXECUTIVE OFFICERS DICHEV and PRIVATE EXECUTIVE OFFICERS Ivan Hadzhiivanov in agreement with the judges of the Supreme Court of Cassation, appoint judges close to them to hear the case in the Supreme Court of Cassation after being burned by the PRIVATE EXECUTIVE OFFICERS and accordingly confirm the decision of the Council of the Chamber. THEY LEGALIZE REPRESSION, TORMENT – NEOFASCISM and the mafia in the Chamber of PRIVATE EXECUTIVE OFFICERS.

THIRD OPTION – through a complaint to the MINISTRY of Justice and use of the inspectors who serve the MAFIA

- ✓ Filing a complaint signal to the Ministry of Justice – to the inspectors WHO SERVE THE MAFIA and HAVE PERSONAL CONTACT AND RELATIONSHIP WITH CHI DICHEV
- ✓ From there, based on the lies and slander, a disciplinary case is requested against the designated PEA in the Chamber of PEA with the appropriate punishment.
- ✓ Then, through the mafia's connections in the Supreme Court of Cassation, the judges of the Supreme Court of Cassation confirm the punishment

FOURTH OPTION – REPRESSION through the National Revenue Agency to initiate audits
1/. The Chairman of the Chamber of PEA PEA DICHEV refers with false documents and real lies and slander the National Revenue Agency refers them for unreal things, on the basis of which the MAFIA in the NRA, with which PEA DICHEV has direct contact, initiates audits against the PEA targeted for repression and their entire families and all relatives.

The ultimate goal - PREPARATION BY THE NRA of an AUDIT REPORT with which they oblige the identified private enforcement agent to pay REALLY "UNDERSTANDABLE TAXES" in HUNDREDS OF HUNDREDS OF BILLIONS OF LEVS.

FIFTH OPTION - numerous UNREAL complaints by FAKE PERSONS with the aim of PUNISHING the INVESTIGATED PRIVATE ENFORCEMENT with many penalties, in order to finally demand the DEPRIVATION OF THE INVESTIGATED PRIVATE ENFORCEMENT PERMANENTLY as a private enforcement agent. In this way, he cannot be a lawyer and cannot even act as a lawyer - I.E. THIS IS THE SYSTEM OF COMPLETE RUIN OF THE LIFE of the invective PRIVATE ENFORCEMENT.

Very often such private enforcement officers die after THIS HARASSMENT - Private Enforcement Officer Apostolov from PLOVDIV, Private Enforcement Officer Georgiev from Pazardzhik

THE ICING ON THE CAKE : The judges of the Supreme Court of Cassation carry out the mafia's order against the targeted Private Enforcement Officer for removal, for deprivation of rights.

V. THE EUROPEAN COURT OF HUMAN RIGHTS - AN IMPOSING DOUBLE STANDARD THE CASES AGAINST THE STATE FOR VIOLATIONS AND CRIMES OF PRIVATE JUSTICE PERSONS ON THIS CASE HAVE DISAPPEARED IN THE EUROPEAN COURT OF HUMAN RIGHTS.

The double standard of the European Court of Human Rights in Strasbourg and the support of this mafia in Bulgaria and the mafia in the government of Prime Minister Boyko Borisov from the European Court of Human Rights in Strasbourg?!?! The refusal to consider the complaints proves this!!!

Moreover, the European Court of Human Rights warns that if there is another COMPLAINT from this creditor against such debtors, the complaints will not be considered at all.
THIS PROVES THE MAFIOTISATION and SUPPORT of the MAFIA in the judicial system in Bulgaria by the European Court of Human Rights.
The double standards of the EUROPEAN COURT of HUMAN RIGHTS in Strasbourg
The above decisions / rulings prove:

- Bias of the judges of the Supreme Court of Cassation
- LACK of an IMPARTIAL COURT
- LACK OF A FAIR COURT
- LACK OF LEGALITY AND RULE OF LAW
- A deliberate conscious act, a clear use of the judges' official position IN FAVOR OF THE MAFIA
- The inaction of the Commission for the Prevention of Corruption and the Confiscation of Property with Chairmen PLAMEN GEORGIEV and SOTIR TSATSAROV.

- BY CONFRONTING TWO STATES – relatives by lineage and homeland

  - 23.2./. THE MAIN GOAL OF DOMINATING A STATE or UNION OF STATES – through DOMINATING THE JUDICIAL SYSTEM of the respective state - COURT PROSECUTOR'S

OFFICE, INVESTIGATORS, PRIVATE JUDICIAL ENFORCEMENT, as well as the law enforcement system

- ❖ THE FORMULA that guarantees domineering a state or union of states – DOMINATING THE JUDICIAL SYSTEM, DOMINATING THE LEGISLATIVE SYSTEM, which will adopt laws in favor of mafia fascism, will apply laws in favor of the mafia, will not respect the laws, will not apply laws to ordinary citizens.

THE MAIN TACTIC for Taking Over a Country is GUARANTEED WHEN THE JUDICIAL SYSTEM is taken over – court, prosecutor's office, investigation by the mafia, by mafia people, by representatives and tools of the Masonic networks of the intelligence services of foreign countries – of the USA, Great Britain JUDGE FROM SOFIA CITY COURT- Bulgaria VLADIMIR VALKOV / in a court hearing in a case in Sofia City Court:

"Mr. DOBREV, BULGARIAN JUDGES ARE NOT RESPONSIBLE FOR THEIR JUDICIAL ACTS!!!!" after he grinned dozens of times in Momchil Dobrev's face, smugly, unscrupulously, with a sense of God. Member of the Politburo of the Central Committee of the Bulgarian Communist Party 1990 - when asked what interests you about the New Constitution, before accepting it: "Answer- "I am interested in the prosecutor's office not changing and not bothering us for decades!"

MAFIA POLITICIAN agent from State Security and Foreign Intelligence - USA and others: "GIVE ME CONTROL AND MANAGEMENT OF THE COURT AND PROSECUTOR'S OFFICE in one country AND I WILL NOT CARE WHO GOVERNS and I WILL LEGALIZE EVERY CRIME!!Political agent of State Security Bulgaria, of the Main Intelligence Directorate of the USSR, of the CIA-USA revealed and guilty of the murder of dozens of counterintelligence officers: "Give me control of the court and the prosecutor's office, and I do not care who governs". A politician who boasts that he distributes all the money in the country, even if he does not govern the country.

PROFESSOR ZHIVKO STALEV – "A STATE WITHOUT THE RULE OF LAW IS A FORM OF ORGANIZED CRIME!!"-

CREATION OF THE SYSTEM OF DOUBLE STANDARDS "BASIC UNWRITTEN LAWS" in MASTERING THE JUDICIAL SYSTEM by mafia fascism
Since in the article we will discuss the judicial system according to THEORY AND PRACTICE of

BASIC LAWS for mastering a country
FIRST BASIC LAW for MASTERING A COUNTRY:
MASTERING THE JUDICIAL SYSTEM of this country.

- MASTERING THE COURT
- STEPS FOR this mastering:
- Appointment of judges loyal to the mafia in the court
- Appointment of prosecutors loyal to the mafia in the prosecutor's office
- MASTERING THE PROSECUTOR'S OFFICE
- MASTERING THE INVESTIGATION
- MASTERING THE MINISTRY OF JUSTICE
- MASTERING THE CONTROLLING BODIES IN THE JUDICIAL SYSTEM – for example, for BULGARIA – THE INSPECTOR TO THE HIGHER JUDICIAL COUNCIL
- MASTERING the institution that appoints judges and prosecutors – THE HIGHER JUDICIAL COUNCIL on the example of Bulgaria.
- MASTERING THE PRIVATE JUDICIAL ENFORCEMENT .
- CONTROL OF THE PARTIES in the National Assembly

SECOND BASIC LAW for CONTROL OF A STATE : Creation of double standards in everything in the application, recognition, respect, implementation of the laws by judges, prosecutors, investigators, inspectors, Ministers.

Appointment of chairmen of the courts close to the mafia and the oligarchy, who will unconditionally carry out the orders of the mafia - to terminate cases, to lose cases against the mafia.
Mastering the system for appointing judges - ignoring, bypassing the electronic random selection system, as deputy chairmen and deputy chairmen of courts appoint a specific judge for a specific case, who will carry out the respective order of the mafia and the oligarchy.
Mastering the system for appointing judges for cases in the Supreme Court of Cassation - by appointing close chairmen of the Supreme Court of Cassation to people close to the mafia and respectively deputy chairmen of separate courts - civil, commercial, criminal, to appoint precisely defined judges for precisely defined cases, who will carry out the order of the mafia,

TO THE LAW, THE IMPLEMENTATION, THE APPLICATION, OF THE LAW by judges, prosecutors, private bailiffs, ministers, inspectors, members of the Supreme Judicial Council

LAW on the DOUBLE STANDARD regarding the laws - disregard, non-observance, non-application of the law by the JUDGE, PROSECUTOR, NOT AS THE LAW ORDERED, BUT AS HE WANTS AND BY ORDER OF A MAFIA CUSTOMER

LAW on the DOUBLE STANDARD regarding the morality and ethics of the judge - when a judge in a case with one plaintiff RECUSSES HIMSELF and in another case with the same CLAIMANT issues a decision against the same CLAIMANT.

DOUBLE STANDARD LAW – when judges have RECALLED themselves in cases with a certain plaintiff, INTENTIONALLY AND CONSCIOUSLY NOT RECALL themselves in other cases of the same PLAINTIFF, with the ultimate goal of RULING A DECISION WITH WHICH THE PLAINTIFF LOSES THE CASE.

DOUBLE STANDARD LAW - CHANGE of the PRICE OF THE CLAIM consciously by the judge, so that it cannot be appealed to a higher instance

DOUBLE STANDARD LAW - termination of lawsuits AGAINST BANKS, INSURANCE COMPANIES, COMPANIES, Ministries, State Commissions and State Institutions

DOUBLE STANDARD LAW regarding the issuance of a decision.

DOUBLE STANDARD LAW – JUDGES ARE NOT RESPONSIBLE for the decisions they make
CREATION OF A SYSTEM FOR ENFORCING DOUBLE STANDARDS AND SCHEMES - THE NORM OF THE NEOLIBERAL NEOFASCIST MAFIA OF LAWLESSNESS and GENOCIDE OF LAW among JUDGES

CREATION OF A SYSTEM FOR SUPPORTING these WAR STANDARDS

CREATION of a system for GUARANTEEING THESE DOUBLE STANDARDS by the body that should control the judicial system – judges and prosecutors, - for Bulgaria this is the HIGHER JUDICIAL COUNCIL

APPOINTMENT OF PERSONS CLOSE TO THE MAFIA IN THE HIGHER JUDICIAL COUNCIL, who will not respect the laws, guarantee the mafia in the judicial system, implementation of DOUBLE STANDARDS .

THE MAFIOTISATION of the JUDICIAL SYSTEM of BULGARIA and the support of this MAFIA by the European Union and the Commission and the USA with Presidents Obama, Trump, Joe Biden

CREATION OF A SYSTEM FOR REPRESSION, HARASSMENT THROUGH THE JUDICIAL SYSTEM

AGAINST PEOPLE who fight against the mafia in the judicial system

CREATION OF A SYSTEM FOR FABRICATING "CRIMINAL CASES" AGAINST persons who fight against the MAFIA in the STATE

CREATION OF SCHEMES for "IMPRISONMENT" of persons who fight against the MAFIA in the court, the prosecutor's office, the state.

CREATION OF SCHEMES for fabricating FALSE DOCUMENTS with the PURPOSE OF FORMING

CRIMINAL CASES against those who fight against the MAFIA in the STATE.

- INSIDE THE MASTERING OF THE COURT SYSTEM IS THE MASTERING OF PRIVATE COURT ENFORCEMENT as part of the judicial system and the LAST STAGE in ONE COURT SYSTEM – ENFORCEMENT OF COURT DECISIONS and collection of amounts under COURT DECISIONS AND CONVICTIONS THAT HAVE ENTERED INTO FORCE.

BASIC RULES of MASTERING PRIVATE COURT ENFORCEMENT is
FIRST BASIC LAW for MASTERING A STATE:
MASTERING PRIVATE COURT ENFORCEMENT.
At the very beginning. Adoption of a law under which private bailiffs close to the mafia are selected - some become private bailiffs only by virtue of an application as state bailiffs WITHOUT AN EXAM -

They impose rules of coercion against private bailiffs who do not serve the mafia, forcing them to leave the system, to submit applications for leaving, a system of imposing disciplinary sanctions - even permanent deprivation without any violations, SECOND LAW - Creation of a system of repression, by the Chamber of Private Bailiffs and the Inspectorate at the Ministry of Justice against private bailiffs who do not belong to the mafia with the aim of expelling them, leaving the system, penalties for obvious "violations"THIRD LAW - CONTROL of the Inspectorate at the Ministry of Justice and appointing people close to the mafia to these positions who do not comply with the laws to carry out repressions against precisely defined private bailiffs, to initiate disciplinary proceedings against inconvenient private bailiffs who do not serve the mafia

FOURTH LAW - CONTROL of political cabinets - MINISTER and DEPUTY MINISTER,, and the same to be appointed by political parties and who serve the mafia and carry out DOUBLE STANDARDS FIFTH LAW - IMPOSITION OF DOUBLE STANDARDS by the Ministry of Justice by the MINISTERS and DEPUTY MINISTERS and inspectors at the Ministry of Justice who do not implement the laws, violate the laws against private bailiffs who serve the mafia Example - Private bailiffs who carry out commercial activities and who must BE DEPRIVED of RIGHTS as such ALWAYS by the MINISTER, this should be done against the inconvenient ones and not against Private bailiffs who serve the mafia.

- **AS A RESULT of the RICO ACT case in the USA, several ATTEMPTS TO KILL Prince Lord Academician Prof. Momchil Dobrev followed**

On October 30, 2023, before the court hearing in the case of Prince Lord Academician Prof. Momchil Dobrev in the Sofia District Court, he was warned by a counterintelligence colonel that on November 1, 2023, Dobrev would be killed in the Sofia District Court building, just as the person Plamen Penev was killed in Stara Zagora during detention with his head pressed to the edge of the sidewalk, as for Momchil Dobrev it would happen in the Sofia District Court building when he was detained on the edge of the wooden bench on the second floor of the building, with the participation of judges, police officers and others on November 1, 2023 in the Sofia District Court building - Tsar Boris Blvd. 3 No. 52-54.On November 1, 2023, Lord Prof. Momchil Dobrev has a court hearing against the Sofia Court of Appeal because Judge NELI KUTSKOVA abused her official position and, although she was taken to Momchil Dobrev's case against a construction company for losses of over 500,000 euros, she does not recuse herself but confirms the REPLACEMENT of the SECURITY OF A FORBIDDEN IOT of Momchil Dobrev's DEBTOR - A CONSTRUCTION COMPANY that has not returned his money since 21.12.2007. SHE REPLACES THE SECURITY PROPERTY for only 2500 euros - i.e. MOMCHIL DOBREV is guaranteed a LOSS OF OVER 500,000 euros, since the construction company no longer has any property after this act, and the non-return of the money and the non-transfer of property by the construction company has been proven by the PROSECUTOR'S OFFICE. I.E. THE CASE IS ABOUT THE FACT THAT JUDGE NELI KUTSKOVA HAS CONFIRMED THE ILLEGAL ACTIONS OF REPLACEMENT OF THE SECURITY - THE DEBTOR'S PROPERTY BY JUDGE RAINA MARTINOVA OF THE SOFIA CITY COURT, who also participated in the TENTH ATTEMPT TO MURDER MOMCHIL DOBREV.

Judge LYUBOMIRI IGNATOV, the judge in the case, again asks for Momchil Dobrev's ID card, as previously in a previous court hearing ILLEGALLY AND WRITE MOMCIL DOBREV'S ID CARD in the minutes of the court hearing and REALLY THIS BECAME ACCESS TO MOMCIL DOBREV'S personal data in YALA BULGARIA, which resulted in ATTEMPTS TO THEFT OF MOMCIL DOBREV'S COMPANIES.MOMCIL DOBREV refuses to give his ID card, especially since he had changed his ID card at the police station a few days before. Immediately, Judge LYUBOMIRI IGNATOV picks up the phone and calls the court security.

Momchil Dobrev understands what is being prepared and that during this detention he will be killed ACCIDENTALLY and immediately takes measures to leave the building of the Sofia District Court, stopping 7 meters after leaving the court building. He is attacked by 5 police officers who begin to squeeze his arms and body and forcefully take him to a courtroom on the second floor to continue the case in which MOMCIL DOBREV is a plaintiff. 5 police officers guard him in the hall. In front of the courtroom, 4 more police officers challenge him, but MOMCIL DOBREV remains completely calm for two hours and 54 minutes as the court session proceeds with the participation of a prosecutor, for whom this behavior of judge LYUBOMIR IGNATOV is not illegal.

After the court hearing, Momchil Dobrev demanded the recordings from the cameras inside the court and outside the court from the ministers. Assoc. Prof. ATANAS SLAVOV demanded the minister, the former criminal judge with property in GREECE, DECHEV, and has referred the matter to the acting Prosecutor General BORISLAV SARAFOV, the chairmen of the Sofia City Court, Judge ALEXEY TRIFONOV, and Judge ALEXANDER ANGELOV - chairman of the Sofia District Court.There is no reaction, no compliance with the laws, no investigation. There are not even any actions by all members of the Supreme Judicial Council against Judge LYUBOMIR IGNATOV.This tenth assassination attempt took place after on 19.02.2020, based on a FALSE COURT REPORT prepared by Judge Raina Martinova from the Sofia City Court, it did not happen, again on behalf of the mafia, with the participation of the mafia boss, statesman, judges and prosecutors, after the NINTH MURDER ATTEMPT on 19.02.2020 in the GM building at 20.45, on behalf of the MAFIA BOSS GENERAL LYUBEN GOTSEV, according to the words of the Deputy Chief of the SDVR - Boyko Borisov, the prosecutors of SOTIR TSATSAROV, through the judges Alexei TRIFONOV on the basis of a FALSE COURT REPORT PREPARED by Judge RAINA MARTINOVA from a court session on 22.11.2019 prepared by Judge Raina Martinova from Sofia City Court recording of 60 minutes became only 48 minutes with 17 /SEVENTEEN/ MANIPULATIONS of the RECORDING proven by expert reports did not happen, again on the orders of the mafia, with the participation of the mafia boss, statesman, judges and prosecutors, after the first attempt to MURDER MOMCHIL DOBREV - 2011 with the ARSON OF THE APARTMENT where I live WHERE THEY WERE GOING TO BURN HIS MOTHER AND FATHER WHO WAS BEDDED FROM 2008 after the death threats from a statesman who demanded that the Dobrevi family - Dobrev Halachev dynasty give their properties to HIM because as mayor of BB in 2008 he stated that the relevant LANDS WERE HIS, 2012 when BUS TRYING TO DEFEAT Momchil Dobrev and other attempts to murder me to him and his wife.

VI. CONCLUSION

The described specific cases prove the MAFIA FASCISM of the US-DOMINATED country BULGARIA, the GENOCIDE of LAW, JUSTICE, JUSTICE and ITS MAFIOTISATION – there is no RULE OF LAW in Bulgaria.This mafia has been reported to both the EUROPEAN UNION and the EUROPEAN COMMISSION, but also to the German Chancellors Merkel and Scholz, the French President Macron, and the British Prime Ministers when the country was part of the European Union, as well as to the US Presidents Obama, Trump, and Joe Biden.There was no reaction, no compliance with the LAWS of the Treaty on the European Community, which proves the support of this neoliberal neofascist deep mafia in Bulgaria by the USA and the EUROPEAN UNION - and a commission chaired by Barroso, Jean-Claude Juncker, and Ursula von der Leyen. CLEARLY THE USA and the EUROPEAN COMMISSION and the EUROPEAN UNION ARE INTERESTED IN THIS MAFIA AND THIS LAWLESSNESS in the Republic of Bulgaria.THAT IS WHY THERE ARE CLAIMS FOR DAMAGES OF OVER 250 BILLION EUROS.
THE MAFIA HAS ITS OWN STATE – BULGARIA!!!!
